Wave Of Pre-Halloween Vandalism Brings Road Hazards; Mail Box Damage

A wave of pre-Halloween vandalism that has brought widespread damage and new hazards to the motoring public was reported today and brought warnings from state police and postal authorities that violators will be prosecuted to the fullest extent of the law.

State police today promised to "crack down" on Halloween pranksters who are littering the highways and back roads with every type article they can find.

Snow fences have been removed from fields and piled on highways; concrete blocks, logs, boards and other articles have been used to construct small barricades endangering the life and property of motorists, police said.

Favorite spot of the pranksters is a location "just around a corner," where the motorist, generally on back roads, suddenly is confronted with a barricade.

Situation General

So far, state police said, no serious accidents have resulted from the pranks, but they warn that serious injury or death could follow if an auto should strike a pole or tree, or another car traveling in the opposite direction, when motorists seek to stop or swerve to avoid piles of articles on the roads.

Because of the danger to the traveling public, police said they plan to "prosecute to the limit" those found placing the articles on the roads.

The pranksters, police said, are not confining their depredations to any part of the county, but the condition is "general and on all roads."

HEARING IN ASSAULT CASE IS POSTPONED

A hearing on charges of assault and battery filed against a picket at the Hanover Made Furniture Co. plant and another man by two employees of the J. D. Leonard trucking terminal, Cross Keys, was postponed Tuesday until Thursday at 12:30 p.m. The hearing is to be held before Justice of the Peace Claude Straley, New Oxford.

The information lodged by the two trucking firm employees, Wilbur L. Laughman, Gettysburg, and James R. Ditzler, Gettysburg, R. 4, accused Francis Kuhn, Hanover, a picket at the furniture plant, and James D. Miller, McSherrystown, of creating a disturbance Friday afternoon. Kuhn and Miller were arrested Friday by New Oxford Chief of Police H. S. Bentzel, who is also Berwick Township constable.

Charges of assault and battery were also filed against two employees of the furniture company last week before Justice of the Peace William Y. Naill Jr. by three pickets at Hanover Made.

Claire L. Bollinger of the Bollinger Detective Agency, York, also filed malicious mischief charges against three pickets at the plant before Justice of the Peace George A. Lippy. Hearings on these charges are also scheduled.

Bollinger was hired by the furniture establishment to maintain order at the plant during a strike. The picket line was established September 30 by Local 465, Upholsters Union.

Gardners Man Held On Driving Charge

Donald Lee Wise, Gardners R. 2, was arrested on reckless driving charges by Mt. Holly Police Chief Frank Stoerzinger after his car sideswiped another vehicle, veered out of control and knocked over a fire hydrant in Mt. Holly Springs.

The information was filed with Mt. Holly Justice of the Peace James W. Sanders. Stoerzinger said Wise's vehicle struck a car operated by Lee Russell Barnhart, Carlisle R. 6, and then skidded out of control for about 200 feet before knocking over the hydrant. Water crews were called to make repairs to the hydrant. Stoerzinger said Wise's car finally came to a halt on the lawn of the Dietz apartments.

Judge Addresses Exchange Club

Associate Judge Clarence Dear-dorf addressed the Exchange Club at its weekly meeting held at the Plaza Restaurant Tuesday evening. He told members of the qualifications and duties of associate judges and cited some "behind-the-scenes" details.

There was a brief discussion of members' progress as volunteer workers for the Community Chest.

LOCAL WEATHER

Yesterday's high 53
Last night's low 40
Today at 8:30 a.m. 42
Today at 1:30 p.m. 51

Hold College Night Thursday

The third annual Adams County High Schools' "College Night," sponsored by the Adams County Schoolmen's Association, will be held at Gettysburg High School Thursday evening at 7:30 p.m.

Representatives from 28 Pennsylvania institutions of higher learning will be present to discuss entry requirements and answer questions posed by interested students.

In addition, there will be representatives from six Maryland institutions, one from Washington, D. C., and a spokesman from the U. S. Air Force Academy, Denver, Colo.

The program will begin with a "coffee hour" in the cafeteria from 7 p.m. to 7:30 p.m. The "get acquainted" program will conclude with group meetings in designated rooms.

DR. D. POTTER COORDINATOR FOR PROGRAM

Dr. David M. Potter, Coe professor of American history at Yale University, will be the program coordinator at the third annual Civil War Conference to be held at Gettysburg College November 19, 20 and 21. The theme of the conference will be "Lincoln and the Civil War."

A three-day program has been arranged to commemorate the event. Day-by-day programs and respective details are as follows:

On Thursday, November 19, a Lincoln Fellowship luncheon will be held at the Hotel Gettysburg at noon. Congressman Fred Schwengel, Iowa, and president of the Lincoln Group, Washington, D. C., will speak.

From 1 p.m. to 8 p.m., registration will take place in Christ Chapel, Gettysburg College.

Choir To Give Concert
At 2:30 p.m., Lincoln Fellowship ceremonies will be held in the Gettysburg National Cemetery. At 3:45 p.m. there will be a complimentary showing of "The Battle of Gettysburg at the Cyclorama."

A concert of Civil War songs, to be sung by the Gettysburg College Choir, will be presented at 8 p.m. This will be followed by a lecture by Richard N. Current, University of North Carolina, on "Lincoln and the Outbreak of the Civil War." At 9:30 p.m. a reception will be held in Weidensall Hall.

On Friday, November 20, there will be a conducted tour of the Battlefield at 9 a.m. The historians will also visit the electric map at the National Museum, William E. (Continued On Page 3)

SPECIAL "ED" TEACHERS DINE

The special services division of the office of the county superintendent of schools was host Tuesday evening at a dinner meeting at Hotel Gettysburg for speech therapists from Cumberland, Franklin and Adams counties, Hanover and Carlisle school districts.

Dr. Donald Maietta, director of the department of special education at Bloomsburg State Teachers College, and Dr. Martin A. Satz, who is on the staff at Bloomsburg, were the guests.

C. P. Keefe, county superintendent of schools, presented Dr. Maietta, who acted as a consultant in a discussion by the various therapists.

Arrangements for the dinner meeting were made by Miss Claire Brandon of the Adams County superintendent's office who presided. Others in attendance were Miss E. Elizabeth Rutledge, county supervisor of special education; Mrs. Patricia Hollingsworth and Loren Bower, county speech therapists; John Wallace, assistant county supervisor of special education; Miss Isabel Tidd and Clifford Lake, of Franklin County; Mrs. Ruth Garmon, Mrs. Irvin Elliott, Gerald Leidy and Robert Bellis, Cumberland County; Robert Fenstermacher, of the Hanover school district, and Miss Christine McIntyre, from the Carlisle school district.

Another dinner meeting has been scheduled for next March 24 in Chambersburg.

Friday Deadline On Nurses' Aids

The Red Cross today announced that 5 p.m. Friday is the deadline for applications for the nurses' aid training class to open Monday morning at the Warner Hospital. Two or three additional registrations will be accepted for the class, Mrs. Peggy P. Hill, executive secretary, said.

The class will be taught by Mrs. Josephine Delp, assistant director of nursing at the Warner Hospital. Classes will be held from 8 to 11 a.m. five days a week for three weeks.

COUNTY GIRL WINS REGIONAL DESSERT TITLE

Adams County's Apple Dessert Queen, Miss Jo Ann Rife, of New Oxford High School, Tuesday afternoon became the regional queen and will represent the area in the state-wide event Saturday.

The 16-year-old New Oxford High School junior defeated Barbara Baum, Cumberland County champion; Gladys Binkley, Perry County champion, and Rachael Barnhart, York County titlist, to gain the regional honor.

Miss Baum, a student at Cedar Cliff High School in Cumberland County, was the runner-up in the regional competition held at York. Miss Rife, in addition to being regional apple dessert queen, is also president of the Future Homemakers of America chapter at New Oxford High School. She is a daughter of Mr. and Mrs. Edgar Rife, New Oxford R. D.

She and other regional winners will start baking for the state title Saturday morning at 10 o'clock in the Metropolitan Edison Co. office kitchens at York.

CD EXERCISE SCHEDULED FOR NOVEMBER 18

Plans for a "control center exercise" November 18 and a public sounding of an air raid alert on December 7 were among matters discussed Tuesday evening at a meeting of Civil Defense personnel from throughout the county at the court house.

County Civil Defense Director William G. Weaver stressed the necessity of securing local Civil Defense directors in each township and borough of the county.

Berwick, Germany, Hamiltonban, Highland, Huntington, Menallen, Mt. Joy, Straban, Oxford, Reading and Union Townships still have not appointed CD directors, Weaver said. In each district the supervisors are asked to appoint a CD director and inform Weaver who in turn will forward the letter to Harrisburg with his endorsement for appointment of the CD directors by Governor Lawrence.

All of the boroughs, except "Gettysburg, have CD directors. Weaver had been functioning as both Gettysburg and county CD director, but recently was notified that a separate appointment must be made for the borough.

Weaver announced the local CD directors, Gerald R. Harman, Abbotstown; W. A. Raffensperger, Arendtsville; Carl Taylor at Bendersville, who is being succeeded by Chester Ogden; Sterling Roth, Biglerville; James H. Sandoe, Butler Twp.; Edward C. B. Worley, Conwago Twp.; Bernard V. Miller Sr., Cumberland Twp.; Leonard Myers, East Berlin; Robert Reindollar, Fairfield; Clyde Topper, Franklin, who is being succeeded by Daniel Mickle; John Herr, Freedom; Edwin J. Baker, Hamilton Twp.; Harry Mumper, Latimore Twp.; J. Walter Kugler, Liberty Twp.; Paul Hiltbricker, Littlestown; Cyril Weaver, McSherrystown; John Murren, Mt. Pleasant Twp.; Guy Staub, New Oxford; Wilmer Lady, Tyrone; Harry Fasick, York Springs.

The first scheduled use of the Quick Call system to sound every fire siren in the county by pushing one button will take place at December 7.

Adams Is Fifth
Weaver said all but Hampton Fire Company's siren will be connected to the quick call system by December 7. Greenmount will install its monitor in the near future, he said.

Hugh Hoke, Camp Hill, said Adams is the fifth county of 25 (Continued On Page 2)

Four Treated At Warner Hospital

Donald Coldsmith, 16, son of Mr. and Mrs. Roy Coldsmith, 150 York St., was treated at the Warner Hospital for a dislocation of left knee-cap suffered Monday evening while practicing football at Gettysburg High School.

Norman Maisel, 22, a student at Gettysburg College, was treated for a chip fracture of the left elbow while playing football.

Mrs. Thomas Eckenrode, 20, Littlestown, was treated Tuesday for multiple lacerations of the right side of the forehead sustained when she fell while walking along a street in Littlestown.

Frederick L. Gebhart, 22, R. 1, received treatment for a laceration of the right thumb.

GRID WINNER MISSED

The name of Tommy Collins, R. 1, was inadvertently omitted in the list of five \$1 winners in last week's football contest winners which were announced Tuesday. Collins selected 13 winners and listed 24 for the feature game point total.

Castro Blasts U.S.

Cuban Premier Fidel Castro lashes out at the United States in his speech at a mass rally before the palace in Havana. Seated at his side is President Osvaldo Dorticos. Castro's anti-American attacks brought a strong protest from the U.S. government. (AP Wirephoto)

Cuba Defiantly Rejects U.S. Protests Castro Is Brewing Anti-Yank Fuss

By ROBERT BERRELLEZ

HAVANA (AP)—Cuban-American relations grew steadily worse today as Fidel Castro's regime rejected a U.S. protest against its rising anti-Americanism and aimed a new shaft at American business in the island republic. In swift developments Tuesday night:

1. President Osvaldo Dorticos, after conferring with Prime Minister Castro and his Cabinet, defiantly dismissed a U.S. government protest that "deliberate and concerted efforts in Cuba" are being made to destroy relations between the two governments. Dorticos said the U.S. charges were without foundation.

Impose New Tax

2. The Cabinet whipped out a new law imposing stiff taxes on mining concessions. The law apparently is aimed directly at two American-owned nickel and cobalt producing operations in eastern Cuba — the Nicaro nickel plant, owned by the U.S. government, and the Moa Bay Mining Co., a subsidiary of the Freeport Sulphur Co.

3. The Cabinet agreed to re-establish military tribunals to deal with mounting opposition to Castro at home. The action is expected to lead to revival of firing squad executions, which claimed an estimated 555 victims during the first six months of Castro's regime.

Want Yank Killed

4. Several hundred shouting Cubans demanded the "execution wall" for Jules Dubois, Chicago Tribune Latin-American correspondent, as he sent a dispatch to his newspaper at a Havana telegraph office. Dubois, publicly denounced by Castro for criticizing the government, was escorted from the building by an armed guard.

5. The chairman of the U.S. Senate Foreign Relations Committee, Sen. J. William Fulbright (D-Ark.) accused Castro of using the United States "as a kind of whipping boy" for his difficulties at home. Fulbright said Castro could lead a revolution but he was "utterly inadequate" at running a government.

High Court Is Asked To Vacate Order To Stay T-H Injunction Against Strike

WASHINGTON (AP)—The Justice Department asked the Supreme Court to let an injunction against the steel strike go to effect unless the United Steelworkers Union files its appeal by noon Thursday.

Atty. Gen. William P. Rogers Jr. filed his appeal before 10 a.m. in the hope of getting a quick Supreme Court action putting the Taft-Hartley injunction back in force.

Technically, his request was that the high court vacate a stay ordered by the Court of Appeals in Philadelphia, unless the union acts quickly.

The government's petition said there is a pressing need for determination by the Supreme Court of the appeal the union proposes to file.

The union had indicated it did not intend to file before Monday its petition for a review of the Philadelphia court decision. That tribunal had upheld the injunction

but had given the union six days in which to file its appeal.

The injunction originally had been granted by Federal District Judge Herbert Sorg of Pittsburgh.

Rogers called delay in resolving the legal questions wholly unnecessary.

The petition said the attorney general was acting "so that the emergency created by the steel strike may not continue longer than necessary."

Rogers said if a union request for a review is filed by noon Thursday, the government will file a brief in opposition to it later the same day.

The attorney general suggested that in view of the emergency circumstances the high court consider the union's petition Friday of this week.

Labor Laws Are Torch Club Topic

The Gettysburg-Adams County Torch Club held its regular dinner meeting Tuesday evening at the Trinity United Church of Christ with President James S. Cairns presiding and 31 members and a guest attending.

Atty. John D. Thrush traced the development of labor laws from early English times when the law required the laboring man to work through the Sherman Antitrust, Clayton, Wagner and Taft-Hartley acts and the recent Landrum-Griffin law, stressing the use of the injunction and labor's right to organize.

FOUR-DIVISION PARADE HERE THIS EVENING

Route of tonight's Halloween parade here was announced today as Springs Ave. to Chambersburg St., Lincoln Square, and Baltimore St., then on W. Middle St. to Howard Ave. to Springs Ave. where the units will disband. The parade moves at 7:30 p.m.

The parade will form at 7 o'clock with Division One on Hay St. facing south toward Springs Ave. Division Two will form on Hay St. facing north toward Springs Ave. Division Three will form on Reynolds Ave. facing north to Springs Ave. and Division Four will form on Reynolds Ave. facing north to Springs Ave.

Individual children and small vehicles will form at the Gettysburg Shopping Center parking lot facing north toward Springs Ave.

Units In Four Divisions
Units listed for the procession include:

First Division: Gettysburg Senior High School Band, Cub Scout Pack 78 costumed group, Gettysburg High School Student Council float, Fairfield Amvets uniformed marching group, Taneytown American Legion Drum Corps, Ladies of GAR float, Gettysburg Junior Chamber of Commerce float, individual marchers.

Second Division: Delone Catholic High School band, Twirlettes of McSherrystown uniformed marching group, Carlisle Redmen uniformed marching group, Northern Joint High School, Dillsburg float, Gettysburg College Band, Gettysburg Army ROTC Drill Team uniformed marching group, Menchey's Accordion and Guitar Band float, Cub Pack 78, Den 4 costumed group, individual marchers.

Third Division: Fairfield High School Band, Bonneville CWV uniformed marching group, Girl Scout Troop 44 costumed group, Northern Joint High School float, Gettysburg Junior High School Band, Cub Pack 79 costumed group, Boy Scout Troop 124 float, small decorated vehicles.

Fourth Division, Hanover American Legion Drum Corps, Gettysburg College Air Force ROTC uniformed marching group, Explorer Post 78 float, Cub Pack 77 uniformed Marching group, Menchey's Accordion Band float, Girl Scout Troop 24 Junior costumed group, Carlisle Boy Scouts float, Taneytown High School Band.

FOUNDERS WK. OBSERVED BY SOROPTIMISTS

Soroptimist Club members celebrated "Founders Week" with a special ceremony at their meeting in the REA building Tuesday night.

The Soroptimist Federation of the Americas, Inc., was founded October 3, 1921, by a group of 85 business and executive women in Oakland, Calif., it was reported at the meeting. The by-word of the organization is "service," whether in the local, national or international field. Each year every member of every club in the federation donates one penny for each year it has been in existence. This money is then given to the Soroptimist Foundation and is used for international scholarships for women; for constructing European villages and housing for displaced persons and other worthwhile projects. In addition to the birthday pennies the local club last year donated \$100 and became a charter member of the foundation.

Mrs. Sizer Burton, president of the club, presided over the business meeting. She announced that reports of the delegates to the recent district conference in Hershey will be given at the November meeting.

Plan Birthday Dinner

Mrs. George Eberhart told of plans for the club's 21st birthday dinner which will be held in the American Legion home Monday, November 9, at 6:30 p.m. Neigh-

(Please Turn To Page 2)

CHEST DRIVE CONTRIBUTIONS REACH \$25,547

More than \$25,000, the largest amount ever contributed to a Community Chest drive in Gettysburg, was reported donated to this year's campaign at a report meeting in the Gettysburg College dining room Thursday evening.

The amount, \$25,547, is ninety-five per cent of the \$26,800 goal. Chest officials expressed confidence that late returns will boost the total "over the top" within a few days. This would be the first Gettysburg Chest goal attainment since 1951.

Individual contributors now total 1,621. William A. Lentz, president of the board of directors, said: "If the workers whose reports are still outstanding check in with results we anticipate, this is the best position the Gettysburg Chest has been in for eight years."

Exceeds 1958 Total
"If we meet our goal, we shall be able to provide the seven welfare agencies which depend on the Chest with every cent budgeted for them when the goal was decided upon," Lentz said. Cutbacks in agency apportionments were necessary in some previous years when contributions fell below the quota.

The \$25,547 reported at Tuesday's meeting is \$2,000 more than the amount raised in 1958 when the goal was the same.

Dean Seymour B. Dunn, campaign chairman, urged all workers who have not yet reported to complete their efforts this week. "I have full confidence that we can meet our \$26,800 goal if complete coverage is given those contact cards still in the hands of workers," he said.

Dr. Dunn expressed his appreciation for the cooperation of approximately 300 canvassers. "I am delighted with such a large sum produced in such a short time. But the full success of this drive depends on the returns of solicitors still to report," he said.

Community Chest headquarters at 141 Baltimore St. will close Thursday, it was announced. Late reports may be turned in thereafter to William Lentz at the Metropolitan Edison Co. office, or to George Miller at the AAA office, Lincoln Square.

All returns are expected to be complete and a final report made within a week, the Chest officials said.

COUNTY MAY GET DAMAGES IN BRIDGE CASE

The Adams County Commissioners today learned that three years of effort to secure payment for damages to a bridge may soon pay off.

At their meeting in the courthouse this morning, the commissioners received forms from Service Trucking Co., Philadelphia; Bowen Trucking Co. and Roland Edward Bennett indicating that the firms and individual will pay the county \$1,300 for damages caused when a truck went through Baugher's bridge, near Aspers, May 24, 1956.

Since then the commissioners have been negotiating with the trucking firms and the driver, suggesting that since the truck broke the bridge the county should receive some compensation.

Attorneys for both sides consulted and finally the notice arrived this morning concerning the payment. The commissioners anticipate the check will be paid over as soon as the papers are signed.

A conference was held on the Korean bonus program with Roy Alexander, county veterans' affairs directors, representatives from the Disabled Veterans and Amvets and Register and Recorder Carl Menchey. Under a new law signed by Governor Lawrence Monday, counties are responsible for payment of a \$1 fee for veterans who may wish to obtain certified copies of their discharges from the register and recorder in order to obtain the bonus payment. Under the plan worked out the register and recorder will bill the county direct for the fee rather than have each veteran secure reimbursement.

Approval was given for payment of \$54.25 to East Berlin and \$195.80 to Latimore Twp. as additional county aid with the filing by those two districts of forms listing work to be done with the money.

Plans were made for the commissioners to meet at 8 o'clock Saturday morning to deliver the ballots and ballot boxes through the county. Tuesday morning before polls open at 7 o'clock the ballots for the four Gettysburg districts will be delivered by Deputy Clerk Ray J. Snyder.

DE GAULLE BUCKED IKE'S WW II ORDER

PARIS (AP)—Gen. Charles de Gaulle ordered his Free French forces in World War II to go against the wishes of the supreme Allied commander, Gen. Dwight D. Eisenhower, and quickly occupy a substantial section of Germany.

De Gaulle said in the third and final volume of his memoirs that otherwise France would be left with "only a few shreds" of German territory.

The volume, titled "Le Salut"—The Salvation—was published today in France. It covers the years 1944-46, from the liberation of Paris to De Gaulle's resignation as premier of the provisional government.

De Gaulle said he wrote to Gen. Jean de Lattre de Tassigny on March 29, 1945: "You must cross the Rhine, even if the Americans won't help you and you must use barges. Karlsruhe and Stuttgart are awaiting you, even if they don't want you."

American forces had crossed the Rhine on March 7.

Beginning April 4, some 130,000 French soldiers with 20,000 vehicles started across the Rhine. On the same day Karlsruhe was taken and on April 20 Stuttgart.

IKE HOPES FOR STRIKE PACT

WASHINGTON (AP)—President Eisenhower said today that the Kaiser Co. settlement should be the signal for a general labor-management agreement to get back to full production of steel.

Eisenhower told his news conference he was not going to say that the agreement between the union and the Kaiser Steel Co. was completely satisfactory.

But it is encouraging to know, the President said, that steel production will be increased by the amount the Kaiser Co. turns out. He said this represents about 2 per cent of the total steel output, adding that Kaiser produces about 30 per cent of the nation's aluminum.

STEEL STRIKE HITS 3,500 MORE

PITTSBURGH (AP)—The Pennsylvania Railroad said today it will lay off some 3,500 workers at the Altoona and Hollidaysburg shops on Monday for lack of steel.

James P. Newell, operations vice president, said the freight car building program will not resume until about four weeks after the steel strike is settled.

The present PRR program calls for 23,500 freight cars, half of them to be built at Altoona. Newell said that 7,500 of the 11,800 cars scheduled for Altoona will be completed by Monday.

The layoffs will affect about 50 per cent of the total work force at the car building and repair shops. The Samuel Rea shops at Hollidaysburg and the Second St. fabricating shop in Altoona will be closed down.

President To Get Annual Checkup

WASHINGTON (AP)—President Eisenhower plans to enter Walter Reed Army Hospital very soon, possibly later this week, for his annual head-to-toe physical checkup.

In announcing this at a news conference, White House press secretary James C. Hagerty anticipated questions as to whether Eisenhower's timing is related in any way to the cold he has been trying to shake since early September.

Hagerty said there is absolutely nothing connecting the two. Eisenhower had his last complete physical examination Oct. 3, 1958. He went to Walter Reed for that checkup, too.

HOSPITAL REPORT

Hank, Brenda and Sandra Honeycutt, Westminster, were operated upon at the Warner Hospital this morning for the removal of their tonsils.

Admissions: Charles Anders, Taneytown; Mrs. Frederick Spaulding, Biglerville; Mrs. Garland Dull, Westminster; Elmer Soprano, 44 E. Water St.; Mrs. Richard Wetzel, Emmitsburg; Edward Reichert, Littlestown; Mrs. Clifford Ridenour, Thurmont; Mrs. James Sneeringer, R. 2; Douglas Crum, Walkersville, Md.; John Shulley, Orttanna.

Discharges: Mrs. William Martin, Keymar, Md.; Terry Hoffman, Biglerville; Andrew Sheely, Littlestown; Barbara Sheely, Littlestown; Louis Redding, R. 2; Mrs. Paul Settle and infant daughter, R. 3; Edward Kuykendall, R. 3; Mrs. George Mellem and infant son, Westminster; Mrs. John Eline and infant daughter, 520 York St.; Mrs. Allen Sprankle, 248 Howard Ave.; Earl Moritz, Iron Springs; Catherine Giberson, 100 York St.; Edward Clabaugh, Detour, Md.; John Fitch, 23 Fourth St.; Emma Fitch, Westminster; Louise Topper, Hanover.

LICENSED TO MARRY

A marriage license has been issued to Curtis R. Myrick, son of Mrs. Maye E. Myrick, R. 3, and Shirley Ann Leatherman, daughter of Mr. and Mrs. Howard E. Leatherman, R. 4.

Social Happenings

For Social News Phone Gettysburg 1248 or 640

Epsilon Delta chapter of Beta Sigma Phi held its regular business meeting Tuesday evening at the home of Sue Fry, Fairfield. It was announced that Joan Kuhn had been elected as Valentine Girl to represent the chapter in the international contest. Final plans were made for a rushing party to be held November 3 at 8 p.m. in the social rooms of St. James Lutheran Church. A cultural program entitled "Your Poise and Charm" was presented by Joan Kuhn. The hostesses were Mrs. Fry and Rosie Bartlett.

The next business meeting will be in the form of a model meeting to which interested pledges will be invited. It will be held November 10 at 8 p.m. in the REA building. Kitty Wenschoff will be in charge of the cultural program entitled "Giving and Receiving Friendship." The hostesses will be Sue Fry, Linda Carbaugh, Caroline Ketterman and Margie Redding.

The Mary Gettys Rebekah Lodge will hold a Halloween party Thursday evening. Members and their families are asked to be at the lodge hall in costume at 7 p.m. The judging will take place at 7:30 p.m. Those not in costume will be penalized. Games and refreshments will be served after the lodge meeting.

The Lydia Class of St. James Lutheran Church held a Halloween party Tuesday evening at the home of Mrs. Paul L. Reaser, Sunset Ave. The hostesses were Mrs. Ray Breighner, Mrs. Nevin Bush and Mrs. William B. Gallagher. Prizes were awarded to the following: Mrs. Jack Settle, prettiest; Mrs. Breighner, most original; Mrs. Jack Howe, ugliest; Mrs. Gallagher, funniest. Mrs. Reaser portrayed Mother Goose and read a story. There was group singing, games and refreshments were served.

The following committees were announced: Membership, Mrs. Bunch, chairman; Mrs. Breighner and Mrs. Paul Dorr; sunshine, Mrs. Donald Weaver, chairman; and Mrs. Patsy Fetters; program and devotional, Mrs. Paul Boyer, chairman; Mrs. Joel Hill and Mrs. Luther Smith; publicity, Mrs. Gallagher; polyantha, Mrs. Addison Durboraw, and ways and means, Mrs. Paul Reedy, chairman. Mrs. Sterling Plank, Mrs. Paul Knox, Mrs. Ray McGough and Mrs. Charles Brent. The next meeting will be held November 24 at 7:45 p.m. at the home of Mrs. Reedy, R. 5.

Dr. and Mrs. Edgar Miller Sr., Baltimore St., returned home today from Cleveland, O., where they visited their son and daughter-in-law, Dr. and Mrs. Edgar Miller Jr., and family. They also attended the convention of the Medical Society of Pennsylvania held in Pittsburgh last week.

Mrs. William Cunningham, Steinswehr Ave., is visiting her daughter, Sally, in Pittsburgh. She celebrated her 83rd birthday on October 22.

The regular meeting of the Women of the Moose was held Tuesday evening at the Moose Home with Miss Martha Strasbaugh, senior regent, presiding. There were 30 members and guests present. The 17th annual birthday dinner of the Women of the Moose will be held at the Moose home Tuesday, November 17, at 7 p.m. Reservations may be made with Rosetta Johnson before November 10.

Two new members were accepted. Mrs. Hilda Newman, graduate regent who received her green beanie Sunday at Harrisburg, was presented with gifts from members and from the chapter. The door prize was won by Mrs. Martha McClellan and the good of the chapter awards by Miss Strasbaugh and Mrs. Arlene Myers. Refreshments were served. The next regular card parties will be held November 4 and 18.

At a meeting of the Adams County Council of Republican Women to be held in the Adams Electrical Cooperative room, rear of N. Stratton St., tonight following the parade, Mrs. Margaret Walter, Biglerville, vice president, will speak on conditions in Europe which she observed while there this summer.

Miss N. Louise Ramer, guidance director at Gettysburg High School, will attend the 39th annual convention of the Pennsylvania Association of Women Deans and Counselors October 30 and 31 at the Hotel Yorktown, York.

Atty. and Mrs. Franklin Bigham, W. Broadway, have returned after visiting Mr. and Mrs. Phelps Pennington, Cincinnati, Ohio, and Richard Pennington, a student at the University of Cincinnati.

The Baptist Men's Fellowship of Adams County held its monthly meeting Monday at the First Baptist Church. Fred Neal, president, presided. George Lewis led songs and the scripture. The president appointed Lewis to fill the unexpired term of William Covington on the publicity and visitation committee. He also appointed the following as a nominating committee: Ellis Mallow, chairman, George Coleman and

William Brent. A film was shown by Glenn Hess on the story of uranium entitled "Petrified River." Refreshments were served by Archie Strickland and M. V. Coleman. The next meeting will be held at Grace Baptist Church, Fairfield, November 30, at 7:30 o'clock.

Richard B. Clutz, a senior medical student at Columbia University, has returned to New York City after visiting his grandmother, Mrs. Frank H. Clutz, W. Broadway.

Mr. and Mrs. Roy W. Wentz, E. High St., are attending the Southern Furniture Market at High Point, N. C.

A/C Glenn Kelley has returned to Chanute Air Force Base, Ill., after spending a 14-day leave with his parents, Mr. and Mrs. Cecil Kelley, R. 1.

Mr. and Mrs. Carl Fisher and children, R. 4, have returned home after spending a few days with Mr. and Mrs. S. Puccio and family, Rome, N. Y.

Mr. and Mrs. Stewart Davis and children, Randall, Gary and Belinda, R. 4, spent the weekend with Mr. Davis' brother and sister-in-law, Mr. and Mrs. Earl Davis, and family, Medley, W. Va.

A Christmas craft workshop for registered Girl Scout leaders and committee women will be held Thursday at 8 p.m. in the Girl Scout office. Donald Sheely, Littlestown, will instruct the class.

FOUNDERS WK.

(Continued From Page 1) boring clubs will be invited to join in the celebration and Judge and Mrs. W. C. Sheely will be honored guests.

Miss Virginia Myers, ways and means chairman, reported last week's rummage sale netted \$72.99. The club voted to act as hostesses for the Warner Hospital Auxiliary tea on March 28.

Following the business meeting, 46 members and their guests visited the offices of the Manufacturers Light and Heat Company on York St. for a gas cooking demonstration. Miss Lee Ann Leaphart, home economist for that company, lectured on the preparation of various dishes featuring pineapple. Mrs. Bernard Redding Jr. was awarded the door prize of a copper canister. The Hawaiian baked ham was awarded to Mrs. George Eberhart; chicken, to Miss Martha Stallsmith; a pineapple chiffon pie to Mrs. Glenn Guise and pineapple sweet potato rings to Mrs. Bernard W. Redding Sr.

Wedding

Skiles—Donovan
Miss Carleen A. Donovan, daughter of Mrs. M. Dorothy Donovan, Wilmington, Del., and John M. Skiles, son of Mr. and Mrs. John H. Skiles, Taneytown, were married recently in Wilmington, Del., by Rev. Dr. Preston Spence, assisted by the Rev. Charles D. Davis, in a double-ring ceremony. A reception followed in the social hall of the church.

The bride was given in marriage by her uncle, Theodore Jester. Mrs. Daniel Orlando, her sister, Cleveland, was matron of honor. Miss Janet McLean was maid of honor. The bridesmaids were Miss Joy Morente and Miss Diana Skiles, sister of the bridegroom. Another sister, Miss Karen Skiles, was junior bridesmaid. Miss Patti Jester, cousin of the bride, and Miss Donna Orlando, niece of the bride, were flower girls. Another niece, Miss Lori Orlando, was junior flower girl.

Best man was Robert Fuss, Taneytown. Daniel Orlando, brother-in-law of the bride, of Cleveland; Larry Feeser and Frank Henshaw, both of Taneytown, and William Ward, of Philadelphia, were ushers.

The couple will reside in Taneytown.

Mrs. Skiles, a graduate of Pierre S. du Pont High School and a former queen of Job's Daughters Bethel No. 4, has been employed by the Hercules Powder Company. Mr. Skiles attended Taneytown High School and the University of Maryland, and is serving with the Maryland National Guard. He is employed by the C. O. Fuss and Son Funeral Home, Taneytown.

NEW YORK EGGS

NEW YORK (AP)—(USDA)—Wholesale egg offerings liberal. Demand spotty today. Receipts 21,100. (Wholesale selling prices based on exchange and other volume sales).

New York spot quotations include nearby: Whites: Top quality (48-50 lbs) 40-43½; mediums 23-24; smalls 18½-19; peewees 16-17. Browns: Top quality (48-50 lbs) 41-42; mediums 30-31; smalls 25-26; peewees 16-17.

MEXICO CITY (AP)—A hurricane accompanied by torrential rains ripped through sections of western Mexico Tuesday, killing at least 26 persons, almost destroying one small town and sinking three ships.

The storm knocked out communications in the stricken states of Colima and Jalisco, preventing an accurate survey of casualties and damages.

STEEL ACTION ON SIX FRONTS

By THE ASSOCIATED PRESS
Court action — U.S. 3rd Circuit Court of Appeals upholds an injunction obtained by the government to halt the 106-day-old nationwide steel strike. But the court allows the strike to continue until a least Monday to give the union time to appeal to the U.S. Supreme Court.

Washington development—Atty. Gen. William P. Rogers says allowing the union until Monday to appeal is a wholly unnecessary delay; says he will ask the Supreme Court to require the union to file an appeal by noon Thursday.

Settlements—Detroit Steel Corp., which had not been struck, signs a new labor contract similar to the strike-ending pact signed by Kaiser Steel Corp.

Union-Firm Talks
Negotiations — Union continues separate talks with struck firms in Pittsburgh and elsewhere. Union President David J. McDonald says he will try to arrange a resumption of negotiations with a committee representing the 11 biggest producers.

Reaction — Roger Blough, U.S. Steel's board chairman, says the Kaiser settlement is too costly; says his firm and others won't settle on the same basis.

Related development—U.S. Steel report net loss of \$31,135,136 for the third quarter of 1959, biggest loss for a three-month period in the company's history.

TEN PERISH IN BRITISH STORM

LONDON (AP)—Britain counted 10 dead today after one of the worst storms to hit northern Europe in six years.

Winds of up to 100 miles an hour lashed across the Continent leaving a wake of wrecked ships, floods disrupted communications. Nearly 200 ships ran for shelter to British ports.

Britain was the worst hit, wind damage was widespread in Denmark, Holland, Belgium and France.

Winds of up to 90 m.p.h. brought the port of Antwerp in Belgium to a virtual standstill Tuesday. The storm left a trail of fallen trees, chimneys and power lines in northern and eastern France. Coastal shipping was halted.

TRY CIVIL ACTION

Trial of a mechanic's lien brought by Marvin H. Pond, trading as All-Weather Builders, against J. F. and Margaret F. Foy, Gettysburg R. 2, began this morning in Adams County court without a jury. The matter pertains to final payment in connection with construction of a house.

SEEKS DIVORCE

Virginia Mae (Anzengruber) Keller, Gettysburg R. 3, is seeking a divorce from James Nevin Keller, Federal Penitentiary, Lewisburg, according to a complaint filed for Mrs. Keller in the prothonotary's office by Atty. Daniel E. Teeter. Mrs. Keller seeks the divorce on grounds that her husband was sentenced to federal prison for ten years on charges of robbing a bank.

CLUBS TO MEET

Adams County's two 4-H Electric Clubs are scheduled to meet next week. Assistant County Agent Duane G. Duncan has announced. The Lower Adams Livestock will elect officers and discuss uses of electricity at a meeting Monday evening at 7:30 o'clock in the New Oxford fire hall. The Upper Adams Club will meet at 7 o'clock Wednesday evening at the Aspers fire hall.

BIRTH ANNOUNCEMENTS

At Warner Hospital
Mr. and Mrs. Clifford Ridenour, Thurmont, son, today.

Mr. and Mrs. James Sneeringer, R. 2, daughter, Tuesday.

At Hanover Hospital
Mr. and Mrs. George J. Shrader, McSherrystown, daughter, Tuesday.

LEAVES \$200 TO CHURCH

Under the terms of the will of the late Addie M. Hamilton, Highland Twp., \$200 has been bequeathed to the Lower Marsh Creek Presbyterian Church, Highland Twp. The remainder of the estate, \$744.93, has been bequeathed to Russell L. Hamilton, Washington, D. C.

BROADCASTS THURSDAY

Piano selections by Mrs. Toini K. Heikinen, instructor in applied music at Gettysburg College, will be featured on the "College Speaks" radio program Thursday morning at 8:30 o'clock over WGET. The broadcast is sponsored by the college music department.

15,400 Workers To Be Laid Off By GM

DETROIT (AP)—Huge General Motors, which already has sent 115,000 workers home because of the steel shortage, has notified 15,400 more employees that they will be laid off in the next few days.

The auto firm, largest of the industry's big three, has not said how long it will continue to produce cars in the face of the steel strike, but industry sources say GM assemblies could cease at the end of this week.

Upper Communities

Telephone Mrs. John Leeti, Biglerville 8

The Methodist Youth Fellowship of the Bendersville Methodist Charge will hold a Halloween party Friday evening at the Wensville Methodist Church. Everyone is asked to attend in costume.

Mr. and Mrs. Clyde Cooley and family, Bendersville, entertained at dinner Sunday evening Mr. and Mrs. Arthur Towne Sr., Rochester, N. Y.

Mr. and Mrs. Rowe Martin, Biglerville, spent Sunday and Monday with Mrs. Martin's brother-in-law and sister, Mr. and Mrs. John H. Witter, Reading.

Guests Sunday at the home of Mr. and Mrs. Jay McGlaughlin and family, Arendtsville, were Mr. and Mrs. Robert Wareheim Jr. and sons, David and Robert, Baltimore.

The Luther League of Flohr's Lutheran Church, McKnightstown, will meet at the church at 6:45 o'clock Friday evening for a Halloween party.

Mr. and Mrs. Donald Baer, Biglerville, spent Sunday with their daughter, Susan, a student at Penn State University.

The annual fellowship dinner of Christ Lutheran Church, Aspers, was held Sunday in the church social rooms and was well attended. Miss Dorothy Davis and Miss Lorna Brough furnished a vocal duet, accompanied on the piano by Mrs. G. Edwin Motter. Remarks and a prayer were given by the pastor, the Rev. Dr. O. D. Coble.

Mr. and Mrs. Lester Smith and family, McAllisterville, visited Sunday with Mrs. Smith's brother-in-law and sister, Mr. and Mrs. Roy Nelson, and family, Arendtsville.

Miss Dorothy Nary returned Sunday to New York City after spending several days with her mother, Mrs. O. A. Nary, Biglerville.

Chief Radioman John L. Bohn, Brooklyn Naval Shipyard, N. Y., spent the weekend with his wife and sons in Biglerville.

The Girl Scout financial drive ends today and solicitors in the Biglerville area are asked to complete their work and give the contributions to Mrs. John C. Brown as soon as possible.

The Biglerville Kitchenettes will hold a Halloween party Friday evening at 7:45 o'clock at the home of Mrs. Sherman Roe, Biglerville. Dress is optional.

The Buchanan Valley Rod and Gun Club will hold a shrimp feed for members Sunday at 12 noon.

Mr. and Mrs. Luther M. Lady, Biglerville R. 2, spent several days recently with their son and daughter-in-law, Rev. and Mrs. Charles L. Lady, and family, Konarock, Va.

DEATH

Clarence E. Jumper
Clarence Eugene Jumper, 74, Bloersville, Newville R. 3, died early Monday at his home. Mr. Jumper was a farmer and had been employed at one time as a sealer of weights in Cumberland County.

He was a member of St. Mary's EUB Church. He had been a teacher in the Sunday School for more than 30 years and was president of the board of trustees and a lay leader of the church.

Mr. Jumper also was for a number of years director on the Adams Electric Cooperative, Inc., and a director of the First National Bank in Newville.

Surviving are his wife, Mrs. Rebecca Mentzer Jumper; two sons, Credon D. Jumper and George E. Jumper, both of Newville R. 3; two daughters, Mrs. Dale Remly, Mt. Kisco, N. Y., and Mrs. James Otstet, Carlisle; seven grandchildren, and one great-grandchild.

Funeral services Thursday at 2 p.m. from the funeral home at 169 W. High St., Carlisle, with his pastor, the Rev. J. Marlyn Rimert, officiating, assisted by the Rev. F. E. Remaly, a retired EUB minister of Carlisle. Burial in the Westminster Cemetery, Carlisle. Friends may call at the funeral home this evening after 7 o'clock.

Engagement

Nicarry—Wagaman

Mr. and Mrs. Joseph A. Wagaman, Waynesboro R. 2, announce the engagement of their daughter, Faye Darlene, to Paul R. Nicarry, son of Mr. and Mrs. S. Omar Nicarry, Chambersburg R. 4.

Miss Wagaman attended Quincy High School. Nicarry is a graduate of Chambersburg High School, class of 1957, and is now employed by Knouse Foods Corp., Peach Glen.

A December wedding is planned.

LANCASTER LIVESTOCK

LANCASTER, Pa. (AP)—Cattle 600, mediums and good feeder steers 24.00-27.50. Calves 100 good and choice 28.00-35.00, prime 35.00-40.00. Hogs 300, barrows and gilts 14.50-15.25. Sheep 25, no market.

CD EXERCISE

(Continued From Page 1)

in the central district to set up a "quick call" program.

The United Telephone Company plans to transfer to the dial system December 6, Weaver said. He reported that the full-time operation of the Civil Defense firemen's radio network's main station in Gettysburg will begin on that day. He added that three fire companies on the Gettysburg exchange, Barlow, Cashtown and Greenmount, are considering having all their fire calls transferred to the Gettysburg Fire Company's central station so that their companies can be alerted by the "quick call" system.

Weaver said that various CD agencies, including firemen, fire police, hospital and welfare staffs and others, will join in the November 18 command post exercises to be held from 6 to 8 p.m. at the engine house.

Weaver and Hoke reported on matching funds and surplus property available. Townships and boroughs which wish to obtain surplus property under the program must have a CD director.

BOY SCOUTS

(Continued From Page 1)

third troop will be allotted the York-Adams council, Rogers said. All units were urged to submit names of adult leaders who are eligible for the Order of the Arrow.

Plan Christmas Projects

At the Cub, Scout and Explorer Round Tables, Christmas activities were among matters discussed. The Cub leaders are seeking to have "100 per cent participation" in a program by which each of the Cub packs will provide a basket of food at Christmas time for a needy family.

The Explorers on the other hand decided upon a "Christmas in July Program." Observing that poor children are the recipients of many gifts during the Christmas season and none at any other time, the Explorers decided to promote a program by which they will repair toys and then present them to needy youngsters on July 4.

Rogers and Rex Maddox, district commissioner, presided at the Cub Scout Round Table.

Cites Good Record

Games and projects connected with the "Country Store" theme of Cub Scouting next month were outlined. Robert Storm, Bonneauville, was victor in a talking contest; District Commissioner Maddox won a "hog calling" contest.

Rogers said the district has "one of the best records in the country for training—every Cubmaster has received basic training." He urged basic training for all assistant Cubmasters and den mothers prior to the "University of Scouting" to be held at Gettysburg High School February 16, 23 and March 1, 8 and 15 at which time advanced training will be offered.

Allen Dubbs, Scoutmaster of Troop 79, and Earl Constable, Scoutmaster of Troop 71, Biglerville, were in charge of the Boy Scout round table. Interpatrol contests, Scout crafts, courts of honor, and competition among troops on knots, compass, first aid and games were among matters discussed.

In the Explorer Round Table led by Timothy E. Farrell, Gettysburg R. 5, and James Hahn, Littlestown, "super activities" were discussed. Preliminary plans were outlined for a "Winter Weekend" encampment based on winter sports and for a Christmas party or dance. Instead of a round table next month, a district Explorer cabinet meeting will be held at which all Explorer advisors and two representatives from each post are urged to be present.

The next round table sessions and Explorer cabinet meeting will be held Tuesday, November 24, it was decided.

High Court

(Continued From Page 1)

the petition, a hearing be set for Monday, Nov. 2.

Under this suggested procedure, the attorney general said, the Supreme Court will be in a position to give a final decision on the merits of the case by or near the end of the six-day stay granted by the Court of Appeals.

The union said it had no comment at the moment on Rogers' petition. The union had worked for delay in the application of the 80-day back-to-work order in the belief that the stoppage was putting heavy financial pressure on the mills.

Rogers petition first went to Justice William J. Brennan Jr. for study.

This is because Brennan is the justice to whom the 3rd Circuit Court of Appeals is assigned for supervision.

NEW YORK (AP)—The independent auto producers dominated a mixed stock market early this afternoon. Trading was heavy. Studebaker Packard, under a tremendous build-up of demand, was delayed nearly two hours in opening.

The initial trade was a monster block of 75,000 shares with the price up 2½ to a new high of 29.

KIDDIES ARE ENTERTAINED BY JAYCEES

The Littlestown Junior Chamber of Commerce entertained the elementary children of the community at a Halloween party on Tuesday evening in St. Aloysius Hall. Costume prizes were awarded in four categories for four age groups as follows: Pre-school children, Jill Stonesifer, Melissa Ann Keagy, Kathy May and John Brodie; grades one and two, Shirley Ritter, Billy Storm, Jim Crouse and Robert Sheely; grades three, four and five, Jane Keefe, Robin Weaver, Sharon Black and Stephanie Gall; grades six, seven and eight, Lynn Claugh, Linda Keefe, Vicki Baker and Larry Cornett.

The judges were Mrs. Robert J. Eckenrode, president of the Woman's Community Club of Littlestown and vicinity; Mrs. Richard N. Greenholt, president of the Junior Woman's Club of Littlestown, and Donald C. Sheely, art instructor in Littlestown Joint School System. There were group games and refreshments were served in charge of Robert V.

DAD says,

"Have the children's portrait made NOW. Tomorrow will be too late!"

MERRY CHRISTMAS?
It is NOT too early to plan for that special XMAS GIFT PORTRAIT

Come in or phone for an appointment TODAY.

Weaver, Paul F. Boller Jr., Clyde Bucher and Kent E. Daum. Wilmer F. Dutterer was general chairman for the event.

VFW Meets

Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, met at the post home, W. King St., on Tuesday night with Commander Edgar Wisotzky presiding. It was announced that a 50-star United States flag will be presented to the Littlestown High School at half-time ceremonies during the Littlestown-Biglerville game on Friday, November 6, on Memorial Field. This will be one of three flags to be presented by the post to the Littlestown Jointure. Following these presentations the post and auxiliary will launch a crusade to sell 50-star flags door-to-door in the community.

The annual Veterans Day service will be held on Sunday, November 8, 7:30 p.m. in St. Aloysius Catholic Church. The address will be delivered by the Rev. Fr. Salvatore Zangari, pastor of Our Lady of Visitation Parish, Shippenburg, and a former chaplain in the Armed Forces. Members of the post and auxiliary will attend the service.

The VFW will sponsor a New Year's Eve dance on December 31 at Bankert's Restaurant and Recreation Center, N. Queen St. Music will be by The Torpedoes, Hanover. Quartermaster C. Francis Bridinger announced that membership dues, \$3.50, may be paid at the post home or mailed to him. The VFW will meet again on Tuesday, November 10.

Clear \$4,000

A net profit of nearly \$4,000 was realized from the August, 1959, carnival of the Kingsdale Fire Co. as reported at the October meeting of the firemen on Monday evening at the engine house along the Littlestown-Taneytown Rd. Edgar A. Wolfe, financial secretary for the carnival, reported the total receipts were \$15,590.26. Expenses, with the exception of the cost of special prizes, were \$8,681. Thanks were extended Mr. Wolfe for his work in charge of carnival finances.

It was decided to have a party for members of the company, the auxiliary and all others who helped in any way with the carnival on Saturday, November 14, instead of November 7 as previously announced. The party will be held in the engine house at 7:30 p.m. The company conveyed thanks to Luther Hess and Walter F. Crouse for the use of their land for carnival parking.

The invocation was given by Norman Utz, chaplain. Routine reports were given by Francis I. Gerrick, secretary, and Harry Hess, treasurer. The latter presided in the absence of the president and vice president. Receipts of \$15 was noted for hall rental.

A donation of \$5 was voted to the Adams County Girl Scout Council. It was decided to remember Miss Nadine Crouse, a patient in the Hanover Hospital, with flowers.

The bylaws committee for the relief fund reported on changes in the bylaws which were accepted. It was announced that at future meetings there will be no acting social committee and refreshments will be available in the recreation room of the engine house. At the conclusion of the business refreshments were served by Harold Study, James

STEEL STRIKE HURTS CRUCIAL VEGA ROCKET

MIAMI BEACH, Fla. (AP) — Space Chief T. Keith Glennan said today the steel strike is delaying a crucial space program — the Vega rocket capable of putting up a Sputnik-size satellite.

He told the American Bankers Assn., in a prepared speech, that "this program, unfortunately, is now being set back by the shortages resulting from the steel strike."

Glennan, administrator of the National Aeronautics and Space Administration, gave no indication as to the extent of the delay.

The three-stage Vega was designed to place 4,800 pounds in an orbit 300 miles above the earth, or 1,000 pounds into a deep space trajectory to the moon and beyond.

Planned For 1961

It was scheduled to be ready for initial flight early in 1961. "As the situation stands now, it is reasonably certain that in early 1961 the Vega will be the first of our space vehicle systems capable of matching the performance demonstrated by the Russians more than a year ago," Glennan said.

"I have no doubt that the Russians will be improving their systems during this same period," he added.

Glennan attributed the Soviet lead in space exploration to the early Soviet decision to concentrate on ICBMs as the delivery system for the nuclear weapons they were developing shortly after World War II.

"At that time, our reliance for delivery of nuclear weapons was placed almost wholly on the big bombers of our Strategic Air Command," he said.

PARTIES SHARE TAX PROGRAM

LANSING, Mich. (AP) — Democratic Gov. G. Mennen Williams and Republican leaders of the Michigan Legislature have agreed to share responsibility for working out an emergency tax program to solve the state's latest cash crisis.

The crisis was brought on by a State Supreme Court decision last week invalidating a one per cent use tax which the Legislature added to Michigan's three per cent sales tax.

Williams and 20 legislative leaders conferred for an hour and a half Tuesday in an attempt to get started on a stopgap tax program. All they could agree on was a pledge of mutual responsibility.

Bipartisan Plan

This was interpreted to mean that any tax plan adopted would be regarded as a bipartisan creation.

The conference made no headway in shaping a specific tax program.

The dispute between the governor and Republican legislative leaders has centered on the governor's demand for a tax on personal income and corporation profits, and Republican insistence on an increase in the sales tax.

MSM HARRIERS WIN

The Mt. St. Mary's College cross-country team outsped Gaudet 19:36 in a meet Tuesday afternoon at Emmitsburg. On Saturday the Mount runners will oppose Howard University at Washington, D. C.

ADVERTISE IN THE TIMES

Ulrich and Norman Utz. The company will meet again on Monday, November 30.

Weather Forecast

Extended forecast for Thursday, Oct. 29, through Monday, Nov. 2: Eastern Pennsylvania, Eastern New York and Mid Atlantic States — Temperatures will average near normal in the extreme south and 3 to 6 degrees below normal in the central and north sections. Warmer Friday and Monday. Cooler over the weekend. Rain likely Friday and Monday, totaling ¼ to ¾ of an inch.

Western Pennsylvania, Western New York and West Virginia — Temperatures will average 2 to 6 degrees below normal. Warmer Friday and Monday. Cooler over the weekend. Rain Thursday afternoon or night and Friday and again about Monday, totaling ¼ to ¾ of an inch.

STATE TO AID PROSECUTOR IN MURDER TRIAL

DOWNIEVILLE, Calif. (AP) — The California attorney general's office plans to assist in the prosecution of Larry Lord Motherwell, indicted for murder in the mysterious death of his well-to-do traveling companion, Pearl Putney.

State special agents moved in on the case as soon as the 72-year-old Washington, D.C., widow was reported missing in the summer of 1958. Her remains were found near here last Aug. 16.

Motherwell, 43, was indicted Tuesday. The 18-member grand jury took only five minutes to act after hearing 20 witnesses.

Dist. Atty. Gordon I. Smith, seeking the death penalty, acknowledged his case rests on circumstantial evidence. How, when and where Mrs. Putney died remains a mystery.

Cross Country Junket

Motherwell, a construction worker, left Washington, D.C., with Mrs. Putney June 30, 1958 on a cross-country motor junket. They were last reported together Aug. 15, 1958, when they registered at a motel in Marysville, 75 miles southwest of here.

The three-married 6-footer was arrested in Atlanta, Ga., Aug. 25. He had been in jail here since Sept. 14.

Motherwell's arraignment was continued until Nov. 9 to give Motherwell's attorney, John G. Regas, of Washington, D.C., time to associate himself with a California attorney.

JET BOMBER CRASHES AND THEN EXPLODES

HATTIESBURG, Miss. (AP) — A B-58 jet bomber crashed and exploded near here Tuesday night about an hour after taking off on a test flight. Two of the three civilian crew members were safe and the third was killed.

All three worked out of the Fort Worth, Tex., office of the Convair Aircraft Corp.

Everett Wheeler, the pilot, and Michale Keller, flight engineer, escaped. Rescue teams early today found the third crew member dead. He was identified as Harry Blosser.

The new B-58 had not been delivered to the Air Force. Wheeler, 37, a test pilot for nine years, said they left Carswell Air Force Base in Fort Worth about 6:30 p.m. and were flying at 25,000 feet en route to Eglin AFB, Fla., on radar work when trouble developed.

He wouldn't specify the nature of the trouble. But, he said, they didn't have time to advise anyone by radio of what was happening.

TWO GIRLS WITH SAME NAME ON SAME STREET

POMONA, Calif. (AP) — Five years ago Kinton B. Stevens and Frank Stevens moved into houses across the street from each other.

Children of the two unrelated families soon became acquainted and discovered to their astonishment there was a Linda Marie Stevens in each.

The result has been considerable confusion for neighbors, friends and school and Sunday School teachers.

The girls are now 11. They attend sixth grade at Kingsley School.

Often Dress Alike

Both attend the sixth-grade Sunday School class at Trinity Methodist church. Both recently were awarded attendance certificates. Both sing in the junior choir at the church.

Sometimes they dress alike. Both love cats and each owns one. Two years ago they belonged to the same Bluebird group.

They look upon sharing one name as a big joke.

Both Family Names

"We love to get people confused," one said. "The hardest part is when school starts. Every year one of our records gets thrown away."

"Then we have to go in the office and prove there are two of us and the teacher has to dig through the wastepaper basket and find the discarded papers."

The girls don't look alike—one is a tall brunette, the other a short blonde.

How did both sets of parents happen to choose the name Linda Marie?

In each case, they explained, it's a family name.

SAYS RUSSIANS MOVE FAST IN ATOMIC WORK

WASHINGTON (AP) — The Soviets show a remarkable ability to get an atomic energy project moving in a hurry, says Chairman John A. McCone of the Atomic Energy Commission.

But McCone, just back from a Soviet tour with other U.S. experts said he felt the U.S. program of peaceful uses of atomic energy is "considerably more advanced."

McCone told a news conference Tuesday he was shown a thermodynamic machine at Leningrad which the Soviets said they built and got into operation in four months.

It would have taken this country a lot longer, he said, and British scientists estimated it would take them two years.

McCone said the United States must "find a way to cut down our lead time to a minimum" on critical projects. He pointed out, however, the inherent lack of speed in the democratic processes that required getting things approved on various levels of government.

McCone led a party of six American atomic specialists in a six-day tour of Soviet civilian atomic installations. McCone said U.S. developments in nuclear power, controlled thermonuclear fusion and high energy physics are examples of fields in which he said the United States is ahead.

MOSCOW (AP) — First Deputy Premier Anastas I. Mikoyan returned to Moscow today after a week in Finland. During his stay he witnessed the signing of a new Soviet-Finnish trade agreement and opened a trade exhibit in Helsinki.

"AND THEN"

And then the sun burst through the clouds . . . because she paused to smile . . . and then, and then, life seemed to be . . . so wonderfully worthwhile . . . and then, I heard a serenade . . . so tender and divine . . . that even such as I supposed . . . the whole wide world was mine . . . and then, a bluebird touched my heart . . . and from each yearning string . . . came a kind of harmony . . . that only lovers sing . . . and then, a rosebud opened wide . . . bliss tumbled from life's stream . . . and for a moment I was prone . . . to think it all a dream . . . this happened when I met her . . . I prayed that it was true . . . two lips locked in a magic kiss . . . and then, and then, I knew.

DR. D. POTTER

(Continued From Page 1)

Barringer, University of Florida, will lecture on "Lincoln and the People in War Time" at 2:30 p.m.

From 4 p.m. to 6 p.m. there will be an exhibit of rare items of Civil War history in the Gettysburg College library. A concert of Civil War tunes will be given by the Gettysburg College band at 8 p.m. William E. Hesselstine, University of Wisconsin, will speak on "Lincoln and the Politicians."

At 10 a.m. on Saturday a lecture will be delivered by Robert Bruce, Boston University, on "Lincoln as the Organizer of Victory." Following the lecture, a discussion panel, headed by David M. Potter, chairman, will convene.

The public is invited to all the events of the three-day program. The only charge will be for the conducted Battlefield tour. There is no registration fee but visitors are asked to register their attendance at any time during the conference in the narthex of Christ Chapel.

All registrants are invited to attend the memorial exercises on Saturday, November 21, at 3 p.m. at the Woolson memorial at Zeigler's Grove on the Battlefield.

The speaker will be Maj. Gen. A. J. Drexel Biddle, adjutant general of Pennsylvania. Reservations for the annual dedication dinner at the Hotel Gettysburg at 6:30 p.m. may be made with Chester S. Shriver.

Experiences Vary; Litters To Letters

ROSEMead, Calif. (AP) — First the Charles Coltons were deluged by letters. Now it's litters.

The Coltons' two boxer dogs, Friskie and Cindy, had puppies last week—30 of them. Friskie accounted for 16, Cindy 14.

Three died, but Mrs. Colton is still bottle-feeding the other 27. She and her husband have found buyers for the whole mob, however, and the little rascals will go to their new owners as soon as they're old enough.

Then Mrs. Colton will have time to answer the more than 200 letters she said she has received from all over the country asking about the pups.

WOMAN DIES AT DAR LUNCHEON

HARRISBURG (AP) — Mrs. Joseph G. Forney, 79, Lancaster, died Tuesday at a luncheon meeting of the Central Pennsylvania Regents Club of the Daughters of the American Revolution at the Harrisburger Hotel.

Mrs. Forney, who was the last living founder of the club, was an honorary state regent for the DAR and a past first vice president general.

Mrs. John Fritchey II, president of the club, said Mrs. Forney had just thanked the club for a gift in her honor for a DAR school for underprivileged children in Tamassie, S. C., when she sat down in a chair and died.

No date has been set for funeral arrangements.

Mrs. Henry M. Scharf, regent of the local DAR Chapter, and past regents, Mrs. Guile W. Leffer and Miss Alice Black, Flora Dale, were present at the luncheon when Mrs. Forney spoke and died.

Mrs. Forney had notified Mrs. Scharf a few days ago that she would attend the local DAR luncheon at the Hotel Gettysburg next week.

GETTING JURY FOR GANGSTERS TRIAL IS HARD

NEW YORK (AP) — Federal Judge Irving Kaufman hopes to complete selection of a jury today to hear the conspiracy trial of 22 delegates to the Apalachin underworld convention.

Difficulty in finding unprejudiced jurors has slowed the selection of a jury to try the case. Thirty-eight prospective jurors were excused Tuesday after they told Kaufman they could not give an unbiased verdict because of what they already had read about the conclave. Eight others were rejected Monday for the same reason.

Penalty Is Severe

The 22 men on trial are charged with conspiracy to obstruct justice by giving false and evasive answers before federal grand juries and other investigative agencies about the Apalachin gathering.

They were among some 40 hoodlums and their friends who attended the Nov. 14, 1957, session at the Apalachin, N. Y., home of the late Joseph Barbara Sr. They have said they were there to visit Barbara, who they said was sick. Barbara later died of a heart attack.

Authorities have said the convention was held to discuss rackets in narcotics, gambling and labor. The defendants could get up to five years in prison and \$10,000 fines if convicted.

LONDON (AP) — Queen Mother Elizabeth was reported improved today after a bout with influenza. She is resting at her London residence, Clarence House.

Bill Skowron, Yankee first baseman who suffered a broken wrist in mid-season, will be an instructor next winter at the Kissimmee, Fla., baseball school.

ALERT POLICE TO WATCH FOR MISSING JUDGE

CHICAGO (AP) — Police in Chicago and nearby cities were alerted today to watch for Judge William Lynn Parkinson of the U. S. Court of Appeals, who has been missing since late Monday afternoon.

John Neurauter, acting deputy chief of detectives, said Parkinson's disappearance was reported Tuesday by the judge's son, William Lynn Jr., of Lafayette, Ind.

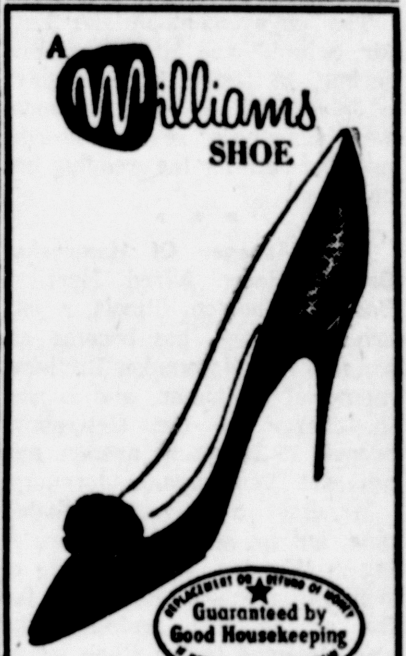

Judge Parkinson, 57, last was seen about 5 p. m. Monday by Deputy Marshal Joseph Tennes or the near North Side near the appellate court building.

Low Blood Pressure Police said young Parkinson told them his father, who lives near the court building, suffers from low blood pressure and may be a victim of amnesia.

Judge Parkinson was appointed to the Court of Appeals in 1957 by President Eisenhower.

Parkinson had served since Aug. 4, 1954, as a federal judge for the northern Indiana district. He had served as a judge of the Tippecanoe Circuit Court from 1937 to 1954 and earlier had practiced law in Lafayette.

JAKARTA, Indonesia (AP) — The last of quintuplets born to a 27-year-old Chinese woman died today. The four girls and a boy were born three months premature Monday to Mrs. Wong Chung Nian. The girls died within 10 minutes after birth. The boy weighed only 12 ounces at birth.

Rich enough for the most cultivated taste . . . a high-stepping, beautifully styled pump done in new, luxurious black caviar brocade. The stand-up buckle is handsome.

A sparkling circle of stars twinkles on the soft crushed bow of this lady-like pump. It's a shoe to make any occasion more memorable. Of smooth black kid suede.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY-FIVE YEARS AGO

Mt. Joy Elects New Minister: The Rev. Herbert Schmidt, of Johnstown, a graduate of Susquehanna University, Selinsgrove, class of 1931, and the Lutheran theological seminary here, class of 1934, has been elected pastor of the Mt. Joy and Harney Lutheran churches and will begin his new duties there on Sunday November 2.

The engagement of the Rev. Mr. Schmidt and Miss Janet Biesecker, of Gettysburg, daughter of John H. Biesecker, of Orrtanna, was announced several months ago. No date for the wedding has been set.

New Manager Of Hammaker Branch Here: Alfred Harrison Barr, of Wheaton, Illinois, a suburb of Chicago, has become associated with Hammaker Brothers, memorial craftsmen, and is now in charge of the Gettysburg branch, 76 Steinwehr avenue, and adjacent Pennsylvania territory. Mr. Barr, a native of Philadelphia, but for several years residing in Wheaton, is a graduate of Williamson school. Preparing for the architectural profession he was attracted to the stone industry. He has been affiliated with several large companies in the east, south and mid-west.

Mr. Barr, who has moved to Gettysburg with his family, took special work at the Museum of Fine Arts, Philadelphia, and the Academy of Fine Arts, Chicago. He has a number of large pieces of memorial work to his credit since entering the stone industry and he comes to Gettysburg highly recommended.

Plan Parade On Halloween: Gettysburg's annual Halloween parade will be held next Wednesday evening at 7 o'clock.

The masqueraders will form at the Meade School building and parade through Gettysburg with A. B. Plank as marshal.

After announcing the parade, Burgess Wilbur J. Stallsmith said the Gettysburg police force had been instructed to apprehend over zealous celebrators particularly those damaging or carrying away property.

Enroll Three In High Society: Three new members were inducted into the Gettysburg high school national society at semi-annual exercises held instead of the regular assembly exercises at the high school this morning.

The new members are Miss Aurelia Codori, daughter of Mrs. William F. Codori Jr., Baltimore street; John Deardorff, son of Mr. and Mrs. Edgar L. Deardorff, Carlisle street, and Raymond Harbaugh, son of Mr. and Mrs. Elbert Harbaugh, McKnightstown.

60-Year-Old Grecian Mother Awaits Son From Gettysburg: A 60-year-old Grecian mother, white of hair and stout of heart, who for more than ten years has been without the affection of a long absent son, eagerly awaits the return of her wandering boy to Arjosleon, on the island of Chafallenia, near Athens, Greece. Harry Markatos, 28-year-old son of Mrs. Artemesia Markatos, chef at the Plaza restaurant for some time and recently a partner in the business, is leaving New York Saturday evening aboard the S. S. Conte de Savoia, for Naples, Italy, his first stop en route to his homeland and his mother.

Markatos, an adventurous youth of 16, left his native land eleven years ago and set sail for South America. The great southland country was not to his liking and he boarded ship for America, the land of promise and wealth.

Arriving in Philadelphia Markatos betook himself to some friends, then wandered into Jersey and then came to Gettysburg where he accepted a position as chef in the Plaza restaurant.

For eight and a half years Markatos worked diligently, saved his money and led a quiet, unadventurous life in strict contrast to his earlier wandering.

When the owner of the restaurant expired and the business

Today's Talk

RECOGNITION

Most of our battles are fought alone. Largely because each small battle is contributory to the one larger and final conflict which we plan shall mean, for us, complete victory. Also, because we cannot keep running back to someone, or somewhere, for re-enforcements.

Battles are largely won because the necessary preparations and arrangements were carefully worked out in the beginning. There are few "accidents" of destiny. Thought, work, day-failures, rebuffs, misunderstandings, sneers, friend-losers — these are but a few of the things that work into victory preparation.

You must decide that you are willing to face and go through these personal battles if you would finally win.

And keep steadfastly in your mind during every hour of your fight that winning is just one thing, after all — just plain recognition!

Recognition that you are a factor on the building of better thought and better times. Recognition that you are worth while. Recognition that you have much of the leader and builder in you. Recognition that your years of lonely labor have not been in vain. Recognition that you are fine and true.

Recognition costs. But it is worth every atom of the price.

Tomorrow Mr. Adams will talk on the subject: "Everything Short".

Projected, 1959, by The George Matthews Adams Service

Just Folks

THE STURDY LEAVES

To the branch of an oak tree the sturdy leaves clung
As the winds of October blew cold,

And down to the earth were their weak brothers flung;
In the face of the blast they were bold.

And the sturdy leaves sang as they felt the first chill
And the feeble ones fluttered and fell:

"Ye may blow and may bite, but we're vigorous still
And our spirit you never can quell."

To the boastful and arrogant leaves on the tree
This answer the autumn blasts made:

"Mark us; ye shall come when we're ready for thee
In the bosom of earth to be laid.

Where the humblest is sleeping, ye, too, small lie down;
The couch of the frail ye shall seek;

For none is so strong or so sure of his crown
But shall stand in the end with the weak."

At last came the day when the sturdy leaves found
That in vain was the strength they possessed;

That they, too, must flutter and fall to the ground
And there is humility rest.

And we, too, that boast of the strength that is ours
The couch of the humble shall seek;

We shall go down to rest, shorn of glories and powers,
No greater, at last, than the meek.

changed hands Markatos bought a half interest.

Three months ago his health failed him. He underwent an operation and while in the local hospital decided to return to his homeland, to satisfy a dream of several years standing.

Markatos plans to be abroad about six months.

County Man Is Married
Wednesday: Robert E. Daugherty, son of Mr. and Mrs. Harry D. Daugherty, Gettysburg R. 2, and Miss Helen F. Maxwell, daughter of Mr. and Mrs. R. F. Maxwell, of Emmitsburg, Maryland, were married at 5:30 o'clock Wednesday evening at the parsonage of Elias Lutheran church, Emmitsburg, by the Rev. Philip Bower.

RED CHINA TO FREE INDIANS AND 9 BODIES

NEW DELHI, India (AP)—India has accepted Red China's offer to hand over 10 Indian policemen captured last week in a clash on the remote frontier.

A government spokesman said the Indian ambassador to Peiping has asked the Red Chinese to name a place and date for transfer of the prisoners in the Ladakh region bordering Tibet.

The bodies of nine Indian policemen killed in the same encounter with Chinese troops will be turned over at the same time. The spokesman said it was assumed the transfer will take place near the scene of the clash.

It appeared certain the place of

SAY DILWORTH HAS EDGE IN PHILA. RACE

PHILADELPHIA (AP)—Richardson Dilworth, seeking his second term as Democratic mayor of Philadelphia on a platform of "high quality government," faces a vigorous, determined Republican opponent in veteran Harold Stassen.

But on the basis of registration figures and previous elections in which Philadelphia has leaned strongly toward the Democrats, most observers give Dilworth the edge in next Tuesday's election.

Latest registration figures show 531,090 Democrats eligible to vote compared with 413,083 Republicans.

Strong Backing
Dilworth, 61, has the full-backing of Democratic City Chairman William J. Green and Gov. David L. Lawrence, two influential politicians.

He also is supported by various other organizations, including 30 business, professional and civic leaders who are Democrats, Republicans and independents.

The Philadelphia Inquirer has given its outright endorsement to Dilworth. The Evening Bulletin has said that the city has made progress under Dilworth.

Energetic Campaign

Both Dilworth and the 52-year-old Stassen have campaigned with great energy, appearing at political rallies, on radio and television and at civic affairs.

As in any campaign, there have been charges and counter-charges. Dilworth hammered away that Stassen is seeking to be mayor only to further his real aspiration to become president. He says Stassen knows nothing of Philadelphia. Democrats also have accused Stassen of not paying the city wage tax. Stassen denies it all.

Stassen Hits Back

He has hit back repeatedly with charges that under the Dilworth administration crime has spread and unemployment increased. His platform has four main objectives, including full employment, safety and security and fewer taxes. "Our objective would be 80,000 more jobs in expanded industries, new shops and business," asserts Stassen.

"We need to lift the police department, raise the pay, establish higher standards, increase the numbers," he adds.

Dilworth's major aim is, in his words, "to keep really high the quality of the people in the government." Dilworth lists as priorities in his platform, redevelopment, transportation and a continuing fight on crime. He contends Philadelphia's crime rate is below that of other big cities and under the national average.

Impressive Records

Both candidates have impressive backgrounds with long records of public service.

Dilworth is a graduate of Yale law school. He served in the Marine Corps in both world wars. He was elected district attorney in 1951, but resigned in 1955 to run for mayor.

Stassen is a two-time governor of Minnesota and a former presidential disarmament advisor. He was unsuccessful in his bid for the Republican nomination for governor in Pennsylvania in 1958.

19 PERSONS NAME IN SUIT

PHILADELPHIA (AP)—Ten business firms and 19 individuals have been accused, in a \$2,130,000 antitrust suit, of establishing a monopoly in the rental and laundering of work clothes.

The suit, filed in U.S. District Court Tuesday by Baldwin Overall Service, Inc., said the defendants do 90 per cent of this annual 10 million dollar business in eastern Pennsylvania, New Jersey and Delaware.

The company asked the court to enjoin the defendants from running Baldwin out of business. The defendants include Albert Gitlow, R. D. Lebanon, N.J., a manager of Eastern Overall Cleaning Co., Philadelphia; Bernar Kessler, Havertown, and Herman Rosenfeld, Wynnewood, managers of Industrial Uniform Rental Service Co., Philadelphia; Mechanics Overall and Coat Service Inc., Camden, N.J.; Mechanics Overall Service, Inc., Trenton, N.J.; Paul Petro, Mahanassett, N.Y.; Norman Haac, Huntingdon Valley, and Protexacar, Elizabeth, N.J.

transfer will be a touchy issue. Red China claims the region where the encounter occurred. India says the area is 40 miles inside Indian territory.

India's acceptance of the offer followed Peiping's announcement that Red China wants to settle its border dispute with New Delhi peacefully.

Peiping called on India to maintain "the long existing status quo" between the two nations, but made clear it does not want India interfering with Communist troops operating in territory India claims as its own.

Frank Robinson led the Cincinnati Reds in home runs during 1959 with 36 and in runs batted in with 125.

SETTLE FOUR MONTH STRIKE

ST. LOUIS, Mo (AP)—Towboats were to nose out of their river ports today, all but ending a dispute which has tied up 80 per cent of the nation's river freight traffic since July 1.

Three unions — National Maritime, Masters, Mates and Pilots and Marine Engineers—Tuesday night ratified new contracts with three of the country's four biggest barge lines. The lines are Federal, Union and Mississippi Valley.

The fourth line, American Commercial, is to resume talks with the unions next week.

New contracts, all for three years, provide wage increases of \$30 a month for engineers, masters and pilots; \$35 a month for mates, and 9-cents-an-hour for the NMU's deckhands. The unions also got Easter as an additional holiday and other fringe benefit improvements.

CRIMINAL, 41, PARALYZED, IS EXECUTED

WETHERSFIELD, Conn. (AP)—The violent life of Frank Wojculewicz came to an end Monday night as he sat paralyzed, an invalid, in the electric chair.

For seven years he had lain in state prison, awaiting execution for the slaying of two men in a robbery in which he himself was shot in the spine. His appeals failed.

He was pushed into the death chamber in a wheelchair. Four guards lifted his wasted body and strapped him to the death chair which had been specially modified because his legs could not bend.

Two-Minute Jolt

Electricity coursed through Wojculewicz for about two minutes. Then his body was taken away.

Thus ended the life of a 41-year-old man who was a juvenile delinquent at 10 and later a robber, thief, bootlegger, attempted rapist—and killer.

The crime that brought his execution was the slaying of Police Sgt. Walter Graback and a bystander, William Otupka, in a New Britain packing house robbery in 1951.

A police bullet injured his spine. He never recovered. He was convicted in 1952 as he lay in court on a hospital cot.

SAYS FARMERS IN "SQUEEZE"

BEDFORD, Pa. (AP)—Roy Battles, assistant to the Master of the National Grange, says federal laws helping business and industry "are placing farmers in a tighter and tighter cost-price squeeze."

In an address Tuesday night to some 2,000 delegates of the 87th annual session of the Pennsylvania Grange at Bedford, Battles said: "The government has helped develop the bargaining power of labor through legislation. Other federal laws have helped business regulate and control the production and marketing of its products and services. But the farmers do not have bargaining power comparable to that enjoyed by labor and industry."

In another speech at the opening of the three-day meeting, J. Collins McSparran, master of the State Grange, said American agriculture does not want government running its business. He added:

But we must have the same kind of government help as has been afforded industry and labor in developing programs for orderly marketing of products."

Unsigned, Unwitnessed Paper Gives One Third Of Flynn Estate To Girl

NEW YORK (AP)—An unsigned, unwitnessed document proclaiming Beverly Aadland, 17-year-old protegee of the late Errol Flynn, "one-third owner" of the actor's estate in Jamaica has turned up.

The document, which Miss Aadland says was written by her and dictated by Flynn 10 months ago in Havana, was filed Monday in surrogate court by Justin Golenbock, Flynn's attorney and executor.

Golenbock last week filed a will signed by Flynn in 1954, long before he knew the blonde teen-ager, leaving the bulk of his estate to his widow, actress Patrice Wy-more, with bequests to his par-

ents and his children.

60,000 Acre Plantation
The swashbuckling movie star's estate is valued, at more than \$100,000 and estimated as high as a million dollars, including a 60,000-acre copra plantation in Jamaica.

The latest document, written on stationery of the Hotel Nacional, Havana, also provides for any child that Miss Aadland might have by Flynn.

Golenbock's law partner, Donald S. Shack, said the document was filed for information only and had no real bearing on the actor's will.

Informed in Inglewood, Calif., that the paper was unsigned, Miss Aadland snapped, "That's ridiculous. I saw Errol sign it."

Is "Valid Will"

Her attorney, Melvin Belli, said in San Francisco that the document is a valid will.

Miss Aadland, who was with Flynn when he died of a heart attack Oct. 14 in Vancouver, B.C., said: "Errol dictated that document on the day before he left to join Castro. Errol told me what to write and I wrote it. He signed his signature as I remember it, in the middle of the page."

"He gave me the document. He said, 'If anything happens to me, give this to Golenbock.'"

"However, he got back safely (from visiting revolutionary leader Fidel Castro's forces) and we took it to Mr. Golenbock in New York. We were talking in the room. Errol told me to 'get that will' and we'll give it to Golenbock," I did.

"Mr. Golenbock said to Errol, 'Let's go in the other room and I'll talk to you privately.'"

"They came out! I asked Errol, 'Is it legal?'"

"He said, 'Yes. It will be executed exactly as written.'"

SCRIBE PICKS
LSU OVER MISS.
IN BIG GAME

Associated Press Sports Writer
NEW YORK (AP)—"We're firing a rocket to get a glimpse of the crystal ball's other side. The near side isn't too much help any more in picking the college football winners, although last week's tabulation showed 47 correct picks in 57 decisions for 826.

Louisiana State over Mississippi: The nation's longest winning streak, the Southeast Conference championship and the Sugar Bowl invitation all are tied up in this Saturday night affair. Both are undefeated and the pick is that LSU will stay that way by the thinnest of margins.

Texas over Southern Methodist: But Don Meredith will give the Long Horns the fright of their lives.

Orange Over Pitt
Army over Air Force: This is a must game for each club. Army's cripples are healed.

Northwestern over Indiana: Each weekend Northwestern comes up with another outstanding quarterback, but after the game he played against Notre Dame it is quite probable that John Talley will be at the helm again.

Syracuse over Pittsburgh: As long as the two Davis boys are in the line-up the Orange is a mighty potent football team.

Southern California over California: The scare Stanford gave Southern California last week has taught the Trojans a lesson.

Penn State over West Virginia: The Mountaineers have no defense for Richie Lucas' passes.

Elsewhere:
Auburn over Florida, Georgia Tech over Duke, Wisconsin over Michigan, Purdue over Illinois, Clemson over Rice, Yale over Dartmouth, Tennessee over North Carolina, Oklahoma over Nebraska.

**Bullettes' Win
Streak Snapped**

The East Stroudsburg State Teachers' College girls' field hockey team broke a Gettysburg four-game winning streak by swamping the Bullettes 4-1 Tuesday afternoon on the winner's field.

Both teams had trouble keeping their footing on the wet field, but East Stroudsburg managed to take a 2-1 lead at the end of the first half. Left inner Ardeh Parry and center forward Adele Majka accounted for the home team's first two goals while Gettysburg's right wing, Linda Rohrer, tallied the visitors' only point.

In the second half East Stroudsburg came back with two more tallies to capture the easy victory. Adele Majka rammed through the two second half goals.

Gettysburg is now 4-3 on the season and will play host to Elizabethtown Saturday morning before a home-coming crowd.

Delaware Tops
For Lambert Cup

NEW YORK (AP)—Defeating Marshall last week for their fifth straight victory, the Delaware Blue Hens again were voted tops among Eastern small college football teams today by the Lambert Cup Selections Committee.

Bucknell, which lost to Lafayette, dropped from second to sixth in the ratings, and West Chester (Pa.) moved to the runner-up spot by making Shippensburg its fifth straight victim.

Lehigh moved from fourth to third despite its loss to Rutgers. The Lambert Cup ratings (maximum 10 points):

1—Delaware 10; 2—West Chester 7.5; 3—Lehigh 6.1; 4—Lafayette 6.0; 5—Juniata 5.4; 6—Bucknell 4.9; 7—Buffalo 4.6; 8—Connecticut 4.5; 9—Rochester 2.6; 10—Tufts .8.

DELONE SCRUBS
WHIP HANOVER

The Delone junior varsity encountered little trouble in walloping the Hanover reserves 32-7 Tuesday evening at McSherrystown for its second victory in three starts.

Delone scored three times in the second period. Paul Sponseller streaked 31 yards for the first tally, Dick Rosensteel ran 33 on a roll-out and Ed Lough intercepted a Hanover pass to race 42 yards. Bill Timmins added extra points after the latter two scores on placements.

Two more Squire touchdowns came in the third period. Sponseller ran 31 yards on a screen pass from Rosensteel to Don Hartlaub scampered 42 yards on an end run.

Hanover broke into the scoring in the final quarter when Bob Corbin went over from the three. Bob Colehouse plunged for the point.

On Friday the Delone outfit plays at Scotland.

The lineup:

Hanover
ENDS—Krebs, Grove, Rhodes, Troyer, Reck, Warner.

TACKLES—Sadler, Morrison, Rineman.

GUARDS—Geter, Cramer, Brognard, Shiner.

CENTER—Zimmerman, Raver.

BACKS—Rupp, Sidenstricker, Colehouse, M. Yost, Corbin, Mummett, Hart, Smith.

Delone
ENDS—Timmins, Hagerman, Devine.

TACKLES—Poist, T. Miller, Linn, GUARDS—M. Miller, Loss, Smith, CENTERS—Price, Hockensmith.

BACKS—Rosensteel, Lough, Wierman, O'Brien, Sponseller, D. Miller, Conrad, Boyer, Keffer, Weaver, Hartlaub.

Score by periods:
Delone _____ 0 20 12 0-32
Hanover _____ 0 0 0 7-7

Touchdowns: Delone, Sponseller 2, Rosensteel, Lough, Hartlaub; Hanover, Corbin. PAT: Timmins 2, placements.

SYRACUSE HAS
BEST OFFENSE

NEW YORK (AP)—Rolling up a total of 589 yards, including 455 by rushing, against West Virginia unbeaten Syracuse not only set two single game records, but displaced North Texas State as the No. 1 offensive college football team of the nation.

NCAA Service Bureau statistics released today also reveal Syracuse has increased its lead in scoring, and now has a five-game average of 36.4 points to 31.5 for second-place Mississippi.

North Texas State leads in rushing offense with an average of 322 yards a game, and Army is tops in forward passing with a 201.8-yard average. The Cadets, who had completed 61 per cent of their passes previously, completed only 14 of 37, of 48 per cent, last Saturday.

MISSISSIPPI,
ARIZONA STATE
ON PROBATION

BOSTON (AP)—The NCAA has placed the University of Mississippi and Arizona State University at Tempe on probation and hinted that further disciplinary actions against other schools may be forthcoming.

"We may have further announcements today," said Walter Byers, executive secretary of the 550-member organization. He declined to name the schools involved.

The NCAA Council, policy-directing body of the group, Tuesday placed Arizona State on a two-year probation and—for the first year of that period—made it ineligible for NCAA national titles and participation in invitational events, including post-season football bowl games, held in cooperation with the NCAA.

Violation Of Rules
Mississippi drew a one-year probation, but was not made ineligible for bowl games or national titles.

Each action came as the result of violation of rules governing financial aid or recruiting of prospective athletes. Both are effective immediately.

In addition, Arizona State was declared ineligible for one year, for any television programs subject to control by the NCAA.

It was the second time in six years that Arizona State has been disciplined by the NCAA. The school drew a reprimand and two-year probation Sept. 1, 1953, and was declared ineligible for all NCAA events in 1953-54.

In another action, the NCAA removed the University of Cincinnati from a probationary status. Cincinnati was placed on probation April 29 for violation of grants-in-aid rules. Byers said the school has "made adequate adjustments to its program and now conforms with NCAA regulations."

On several occasions, play has been halted while Jenkins made adjustments or minor repairs on his guard's leg. Once he tried to patch a break with tape, "but it wouldn't hold." Neither would Lincoln's line without Rucker, who left the game, and Lincoln lost.

Rucker lost his leg at the age of 7. He was out searching for coal and failed to hear a train on the tracks behind him.

**College Runners
Beaten By D-son**

The Gettysburg College cross country team dropped their third meet of the season as a strong Dickinson team captured an 18-39 decision on a hilly Camp Shand golf course northwest of Carlisle, Tuesday afternoon.

Carlisle's Jim Bartoli and Howard Maat took the first two places in 25:30 minutes, respectively. Gettysburg's sophomore Dick Bowen covered the 4.1 mile course in 25:48 to finish second. The Bullettes had four men placed in the top ten while six Dickinson runners wound up with top honors.

Coach John Carpenter's outfit will travel to Lancaster on Saturday to take on a tough Franklin and Marshall squad at 1:45.

The results:
Bartoli, D. 25:30; Maat, D. 25:30; Bowen, G. 25:48; Bill Steckley, D. 25:56; Nelson Lebo, D. 26:00; Norman Keyes, D. 26:07; Dick Martin, G. 26:28; James Garman, G. 26:43; Lee Arters, D. 27:20; Dave Hertzler, G. 28:02.

**Long Shot Snares
Irish Sweepstakes**

LONDON (AP)—Rexequus, a long shot, today won the 117th running of the Cambridgeshire Handicap.

The Scottish-trained Rexequus, a 3-year-old owned by V. J. N. Adams of Britain, was a 25-1 outsider in the starting field of 36.

Anthelon, a 33-1 shot, nosed out Thames Trabar, held at 100-6, in a photo finish for second and third. Sanctum was fourth.

The last Irish Sweepstakes of the year was based on a mile and an eighth over Newmarket's turf course.

However, Powers had seen the green light, so he disallowed the claim. The Canadians thus increased their league lead to four points over the idle Detroit Red Wings.

Dick Moore had put the Canadians in front with a goal in the first period, and the Richard brothers collaborated to score the winning goal at 17:49 of the second session. Maurice (Rocket) snaked the puck away from Ron Murphy at center ice and fed it to brother Henri, who eluded one defenseman to score.

**235 WOMEN IN
GOLF TOURNEY**

PINEHURST, N. C. (AP)—In one year the North and South Senior Women's Golf Tournament has become a major event for the links ladies.

A field of 235 women 50 years and older was on hand for today's first round of the two-day 36-hole, medal play tournament. This is an increase of 60 players over last year's inaugural field.

Each woman will play 18 holes over two of the country club's four courses, the par 70, No. 1 course, and the No. 3 layout, par 71.

Mrs. Harrison Flippin of Ardmore, Pa., last year's winner, and the runnerup, Mrs. Edwin H. Vane Jr., of Merion, Pa., have returned to renew their rivalry.

Another standout of two decades ago, Mrs. Estelle Lawson Page of Chapel Hill, N.C., is entered. She won the 1937 national and seven times was North and South champion.

**Mantle Thinks He
May Be Traded**

DALLAS (AP)—Mickey Mantle, star slugger of the New York Yankees, said Tuesday night he wouldn't be surprised if he got traded off this winter.

"I'm not kidding," Mantle said in an interview. "I think they would trade anyone to help the team."

He said he didn't know whether he was on the trading block, but

Will All-Expense
Trip To Florida

Mr. and Mrs. George Kennell, R. 2, will enjoy an expense-free six-day trip to Miami Beach, Fla., as the guests of Shenandoah Downs.

Mrs. Kennell's name was drawn at the Charles Town, W. Va., race track Tuesday evening for the award good for two persons.

The award includes a round trip by air, a week at a hotel with all expenses paid, the use of a 1960 convertible while there, plus the hospitality of Tropical Park race track with \$100 per day during the six days.

Gridder Has
Wooden Leg

SUMTER, S. C. (AP)—Artis Rucker is a hard-running 205-pound guard on the Lincoln High School football team, but 18 pounds of his left leg is wood.

Rucker, 19, a keystone in Coach Robert Jenkins' defensive line, plays football with a wooden leg. "He's definitely college material as he's a fine player, good student, and behaves himself," Jenkins says.

The husky Negro has been clocked running the 100-yard dash in full football regalia in 13 seconds. He says he could do better if he had two good legs and didn't have to haul that 18-pound chunk of wood around.

But Rucker prefers wood to the newer, lighter plastics.

"The Crippled Children Society gave me a new plastic leg one time that was supposed to be much better than my wooden one," said the cheerful youngster. "Turned out it wouldn't hold up though."

Because of the wear and tear on the wooden leg, Coach Jenkins vows he's getting to be "one of the best wooden leg repairmen around."

On several occasions, play has been halted while Jenkins made adjustments or minor repairs on his guard's leg. Once he tried to patch a break with tape, "but it wouldn't hold." Neither would Lincoln's line without Rucker, who left the game, and Lincoln lost.

Rucker lost his leg at the age of 7. He was out searching for coal and failed to hear a train on the tracks behind him.

GHS Guard Hurt

Another stiff jolt was handed the Gettysburg High School football squad Monday evening when Don Coldsmith, guard, suffered a knee injury which will probably sideline him for the remainder of the season.

During Monday's workout Coldsmith dislocated his left knee-cap when he made a sudden turn and his shoe cleat caught in the turf. The six-foot 160-pound senior had been one of the mainstays of the line.

**AFA'S MAYO IS
BACK OF WEEK;
FACES CADETS**

By JACK CLARY
Associated Press Sports Writer

Richie Mayo, the Air Force quarterback who fires a football with the speed and accuracy of a guided missile, has suddenly gained new stature as an "infantryman" with his running tactics. It has added an atomic punch to the Falcon's air arm.

This new talent also tabbed him as back of the week in an Associated Press poll and has made him a marked man by Army, the Falcon's opponent Saturday in New York's Yankee Stadium.

The crewcut junior from Eureka, Calif., has always been known as a rifle-arm, pinpoint precision passer. He finished fourth nationally last year, with 1,019 yards, tying for the lead in TD passes with 11 while leading the Falcons to an undefeated season and a Cotton Bowl berth.

This year he continued. Though gaining only 37 yards passing in his team's 20-7 upset victory over UCLA last week he still has completed 49 or 90 attempts for 481 yards and two touchdowns. He has had seven intercepted, four in the Falcon's 20-3 loss to Oregon Oct. 17.

Mayo scored on runs of 1 and 3 yards against the UCLANS and his ball handling wizardry was given credit for propelling the Falcons ground attack to 317 yards.

Penn moved end John Sekinsky to No. 1 right end position, replacing injured Jon Greenwalt. Sekinsky was picked the outstanding lineman in last Saturday's Penn-Navy game.

McLean No. 1
Neil McLean, Wake Forest leading runner of a year ago, took over the No. 1 fullback spot from Joe Bonecutter after scoring all 19 of the Deacons points last week against North Carolina.

Michigan State fullback Blanche Martin is expected to return to fulltime service Saturday against Ohio State after being bothered by rib and leg bruises.

**Penn State Ranks
Among Top Gridders**

NEW YORK (AP)—Penn State is in eighth place in both total offense and scoring among major college football teams, NCAA Service Bureau statistics released today showed.

The Nittany Lions, who takes a 6-0 record to Morgantown, W. Va., Saturday against West Virginia University, have gained 2,096 yards for a 349.3 average. Syracuse, a future State rival, leads with 2,207 yards and a 441.4 average.

Penn State has scored 156 points for a 26.0 average. Again Syracuse leads this department with 182 points and a 36.4 average.

Another Big Ten player, center Jim Andretti of Northwestern, was high up in the voting with E. J. Holub, Texas Tech center, and Maurice Doak, Texas guard.

Roy McKassen, Washington's center, played a bankgug game against Oregon and was named the lineman of the week in the Big Five.

Other linemen who were praised included Bob Lilly, Texas Christian tackle; Pat Neill, Southern Methodist end; Rohce West, Baylor tackle; Pat Dye, Georgia guard; John Sekinsky, Penn end, and Paul Maguire, The Citadel end.

YOUNG BOXER
DIES MONDAY
OF INJURIES

GUADALAJARA, Mexico (AP)—A grieving, heartsick world boxing champion went into hiding today.

Jose Becerra, who won the world bantamweight title only three months ago, had caused the death of a fellow boxer with his fists.

Walt Ingram, 24, died Monday after taking a battering from Becerra in a non-title bout last Saturday night. Becerra was so shaken that he asked matchmaker George Parnassus to postpone a Nov. 19 bout against Danny Kid in Los Angeles.

"The death of Walt has been very painful for me," he said, "because I never thought that some day I was going to cause tragedy with my fists."

Plans Benefit Fight
"I don't know what to do. I want to rest for some time and go to some place where I can meditate alone away from everybody. I don't want to think of anything connected with boxing."

"But I would be willing to give a benefit fight to raise funds for the family of my friend, Walt Ingram. And if I can do more, I will."

Meanwhile, plans were being made to ship the body of Ingram to the United States for burial. He leaves a widow and three small children.

Ingram stood up to Becerra's barrage for most of nine rounds. His seconds threw in the towel in the ninth round and then he fell. He was operated on early Sunday for a cerebral hemorrhage. An attending physician said death was caused by a heart attack following a respiratory interruption.

**DAN LANPHEAR,
WISCONSIN, IS
BEST LINEMAN**

By TED MEIER
Associated Press Sports Writer

Danny Lanphear, a hefty 222-pound tackle for the University of Wisconsin, is the lineman of the week.

Lanphear did about everything except carry the ball against Ohio State. His sterling performance that led the Badgers to a 12-3 victory last Saturday brought him the coveted weekly award today in the Associated Press poll of sportswriters and broadcasters.

"He was outstanding, just great," beamed Milt Bruhn, Wisconsin coach, afterwards. "He made tackles all over the field and always was putting the pressure on. He has been playing great ball for us all the way after being out with an injury much of last season." Lanphear had an ankle injury that hampered him in 1958.

Wrecked Ohio State
This is what the 6-3 Wisconsin senior did to the Buckeyes:

He blocked a punt in the opening minutes that led to a safety, recovered an Ohio State fumble that halted one OSU drive then stopped another with a savage tackle that caused the ball carrier to fumble with Wisconsin recovering on its own three.

His jarring tackles put Bob White, OSU fullback, out of the game in the second quarter with a shoulder separation. In the last period his tackle of Bob Ferguson while the OSU halfback was trying to return a punt, also sent the Buckeye to the sidelines.

Other Stars
Another Big Ten player, center Jim Andretti of Northwestern, was high up in the voting with E. J. Holub, Texas Tech center, and Maurice Doak, Texas guard.

Roy McKassen, Washington's center, played a bankgug game against Oregon and was named the lineman of the week in the Big Five.

Other linemen who were praised included Bob Lilly, Texas Christian tackle; Pat Neill, Southern Methodist end; Rohce West, Baylor tackle; Pat Dye, Georgia guard; John Sekinsky, Penn end, and Paul Maguire, The Citadel end.

Nittany Lions Out
To Stop Williams

UNIVERSITY PARK, Pa. (AP)—Coach Rip Engle figures Penn State has to stop West Virginia quarterback Danny Williams if the Nittany Lions are to extend their football winning streak to seven games against the Mountaineers on Saturday.

He concentrated on defensive patterns designed for the ace ball handler during Tuesday's lengthy drill which ended under the lights in cold, misty weather.

"Williams has fooled several opponents with his execution of the roll out pass-run option and we'll have to be alert to cope with him," said Engle.

He added that Williams "was almost perfect" in piling up 151 yards himself against Pitt two weeks ago.

**ONLY 4 PENNA.
COLLEGES ON
UNBEATEN LIST**

PHILADELPHIA (AP)—Penn State and three small college powers are the only Pennsylvania football teams with perfect records as the 1959 season heads into its final weeks.

Penn, tied 22-22 by Navy, and Clarion, defeated by California, were dumped from the list of unbeaten and untied teams last weekend.

Five teams continued without a victory or even a tie. They are Villanova (0-6), Temple (0-5) and Drexel, Ursinus and Lincoln (each 0-3). Temple and Ursinus have each lost 17 consecutive games.

Penn State, 6-0, has definitely stamped itself as a major national power and with Syracuse is co-favored to capture the Lambert Cup, symbolic of eastern supremacy.

West Chester and Juniata, both at 5-0, have long unbeaten streaks going. West Chester, with 14 straight victories should capture the Teachers College conference crown. Juniata, tied once but unbeaten in 23 games, should win the title in the North College division of the Middle Atlantic conference. Carnegie Tech also is 5-0.

**NO CHANGES IN
JUNIOR LEAGUE
NEXT SEASON**

NEW YORK (AP)—No new teams will appear in the American Baseball League lineup next year, President Joe Cronin said today.

LAWRENCE IS STILL BACKING GAS TAX RISE

HARRISBURG (AP)—The administration is still supporting a gasoline tax to raise money for its roadbuilding programs in the 1959-61 biennium.

Gov. Lawrence told his news conference Tuesday that "the highways secretary (Park H. Martin) is pushing for this tax and until such time as he gives up, I'm still for it."

The Senate Finance Committee has pigeonholed the measure. Its chairman, Sen. Edward J. Kessler (R-Lancaster), has said there is no chance of passage.

Jessier proposed instead that passenger automobile license tags be increased from \$10 to \$15 a year as a substitute. Lawrence said he has no such plan at this point.

Other Topics

Other subjects at the news conference:

Public Utility Commission — Lawrence said he is "pretty sure" he will name a Democrat to a \$19,000-a-year vacancy on the commission. The vacancy was created by the death of Henry Houck, Shenandoah, a Republican.

There are now two Republicans and one Democrat on the PUC, with two vacancies. Lawrence has appointed another Democrat, William F. O'Hara, to the other vacancy but the Republican-controlled Senate has held up the appointment since April.

If both O'Hara and another Democrat are subsequently accepted, the PUC would pass under Democratic control for the first time in nearly 20 years. Some 300 patronage jobs are involved.

Election — Election night will see Lawrence watch the returns come in at the Allegheny County Democratic headquarters in Pittsburgh. He predicted the election of Sen. Joseph M. Barr (D-Allegheny) as mayor of Pittsburgh in opposition to Republican Joseph Reinhold.

The governor also replied, "I think so," when asked whether he felt the Democratic candidates for statewide judicial office also would win.

Capital punishment—The governor said he was basically opposed to capital punishment, adding: "As long as it's the law, I have to uphold the law. I can't let my

Emmitsburg

MRS. RALPH LONG
Times Reporter—Phone HI 7-2231
EMMITSBURG — Mr. and Mrs. John Owens and children, of Baltimore, spent the weekend with Mrs. Owen's mother, Mrs. Thornton Rodgers.

Mr. and Mrs. Richard Florence and family, Jamestown, N. Y., spent the weekend with the former's parents, Mr. and Mrs. Romanus Florence.

Mr. and Mrs. Lester Boyer and son, of Frederick, visited over the weekend with Mrs. Boyer's mother, Mrs. William Sterbinsky. Sunday visitors at the Sterbinsky residence included Mr. and Mrs. Raymond Dukehart of Westminster.

Sgt. William Timmerman, Philadelphia, is visiting his parents, Mr. and Mrs. Fred Timmerman. On Saturday they visited with Mr. and Mrs. Victor Hodge and family, Bethesda.

Mrs. Gordon Proff, Baltimore, is visiting with Mrs. Guy Topper and family.

Mr. and Mrs. William Hopkins, York, spent the weekend with Mrs. Hopkins' parents, Mr. and Mrs. Clarence Wachter.

Mr. and Mrs. Glenn Reifsnider and son, of Keymer, visited on Sunday with Mrs. Reifsnider's mother, Mrs. George Ashbaugh.

Mr. and Mrs. Donald Long and children visited Sunday in Thurmont with Mrs. Long's parents, Mr. and Mrs. John P. Weddle.

Mr. and Mrs. Paul Keepers visited their son-in-law and daughter, Mr. and Mrs. James Nickoles, in Westminster on Saturday.

Mr. and Mrs. John Lingg recently observed their 50th wedding anniversary.

Miss Octavia Troxell, Westminster, spent the weekend with her parents, Mr. and Mrs. Henry Troxell.

OPPOSE "STICK-UPS"

CAMBRIDGE, Md. (AP) — The Dorchester County grand jury ended a two-day session Tuesday with a recommendation that all chewing gum be removed from jury room chairs.

Brookmeade Stables Sword Dancer will be pointed for the \$100,000 Widener at Hialeah in Miami, Fla., next February.

personal viewpoints interfere."

Only Tuesday he rejected a reprieve for Robert Lee Williams, 20, of Philadelphia due to be executed at Rockview Penitentiary tonight for the fatal shooting of a druggist during a robbery attempt.

SIX CITIES MAY VOTE FOR NEW GOVERNMENTS

HARRISBURG (AP)—Voters in six Pennsylvania cities will decide next Tuesday whether to change their present form of government. These include the state's third largest city, Erie, and Altoona, New Castle, Bethlehem, Sharon and York.

If any adopt the optional form of government presented on the ballot, it will be the first change in government among the state's third class cities since 1914.

That was the year the commission form of government became the rule in this class of cities, but 48 third class cities now operate under this plan.

How Plans Work

In 1957, the Legislature enacted the optional third class city charter law which provided for two additional forms of government: city manager and mayor-council. Neither is new. The mayor-council form was predominant in Pennsylvania before the commission form was adopted.

Here's how the three plans work:

Commission — The council, including the mayor, is elected by the voters but the mayor serves as ceremonial head of the city. He is also a councilman. Each councilman serves as a department head.

Several Plans Up

Strong mayor-council — The mayor is elected independently of council. He is the administrator, with veto power over council ordinances. The mayor appoints his department heads, subject to approval of council.

City manager—Council hires a professional administrator to run the city. He serves at the pleasure of council.

In 1958, the cities of Butler, Johnstown and Pottsville rejected the city manager form of government.

Next Tuesday, voters in Altoona and New Castle will decide whether or not to accept the city manager government while the other four cities will be voting on the mayor-council option.

Vote On Commission

A seventh third class city, Coatesville, will decide whether to set up a charter commission, the initial step in any change in local government.

The charter commission, as was done in Butler, Johnstown, Pottsville, Altoona, Bethlehem, Erie,

Meyner Has Plan On Transit Needs

CAMDEN, N. J. (AP) — Gov. Robert B. Meyner claims Philadelphia motorists would be paying part of the bill to support Camden's transit needs if his turnpike transit plan is approved.

Meyner told a Democratic dinner Tuesday that 65 per cent of the motorists who use the turnpike are from out of state. "Up to this point," he said, "we can't seem to make much headway with the Philadelphia wage tax. But wouldn't it be a form of ironic retribution if Philadelphia motorists who used the turnpike thus were called upon to kick in some of the funds to help Camden's transit needs?"

Meyner's plan to use surplus funds from the New Jersey Turnpike to solve the state's transportation problem will be voted on Nov. 3. The governor said his plan is aimed at helping South Jersey as much as North Jersey.

LACKAWANNA JUDGE LOST ONCE IN '50

(Editors: This is the second in a series of four personality sketches on statewide candidates for judicial office in the Nov. 3 election.)

By THE ASSOCIATED PRESS

Judge Michael J. Eagen, Democratic candidate for State Supreme Court, has been a district attorney and judge for 26 years.

In addition, the 53-year-old Lackawanna County jurist packs a lot of political savvy in his second bid for the state's highest court.

Eagen, who is generally credited with a big role in building the Democratic majority in his county, has lost only one election since he became Lackawanna's youngest district attorney in 1933.

The defeat was at the hands of

New Castle, Sharon and York, will examine the local government and recommend a new form to adopt.

Or it can, as a commission did in Greensburg, recommend that the present form be retained.

Even should any of the six cities adopt a new government, it would be January 1962 before it would become effective. The law provides the new charter begins Jan. 1 following the next municipal election. Municipal elections are held only in odd-numbered years.

Justice John C. Bell Jr., in the 1950 Supreme Court race.

This year Eagen faces Judge Blair F. Gunther of State Superior Court, another able campaigner with a lengthy judicial career.

Following two years as prosecutor, Eagen was elected in 1941 to the first of two 10-year terms as a Common Pleas Court judge.

His judicial career has tended to obscure his early success as

a political leader, organizer and candidate.

He was only 26 when he won the district attorney's office on the Democratic ticket in then heavily Republican Lackawanna County. His follow-up organization drive resulted in the present Democratic majority.

When he ran for a second term on the county bench in 1951, he also was endorsed by the GOP.

Eagen says the greatest challenge any judge faces is "making sure his fellow citizens receive fair treatment under the law. Every individual, regardless of his station in life, has a fair day in court."

Eagen was born in Jermy, near Scranton, where he now makes his home with his wife, the former Helen Fitzsimmons. The couple has four children and two grand-

sons. He is a graduate of Thomas College, now the University of Scranton, and Harvard Law School.

From 1942 to 1954, Eagen served as Juvenile Court judge in addition to his duties on the Common Pleas bench. His work in combating juvenile delinquency won him a citation from the American Legion.

Political Advertisement

Voters, Here Are The Facts!

The Gettysburg Times and The Evening Sun papers recently carried a political advertisement extolling the merits and listing the accomplishments of the "Republican Board of County Commissioners." It is assumed that the author of this advertisement was referring to the Board of Commissioners as being run by the two Republican members, since by law (fortunately) a minority member is assured.

A study of the so-called accomplishments of these two Republican members of Adams County Board of Commissioners indicates a deplorable lack of foresight and judgment. It is a fact that:

(1) The Assessment of land values in Adams County is the worst of any County in the State, and undoubtedly the \$100,000.00 claimed saved will ultimately have to be spent at some future date to correct the inequities and strive toward a fair equalization of assessments. The records indicate a deliberate policy of discrimination in favor of vested political interests. The new home owner would be well advised to compare his assessments with those of the Republican Commissioners themselves. Never have the taxpayers of Adams County been subjected to such rude, arbitrary and discriminating treatment as now prevails in the County Assessment Office.

(2) The Republican Commissioners are directly responsible for the chaotic and deplorable condition existing at the County Home. Lack of foresight and false economy have permitted the County Home to deteriorate to such an extent that a new home must be built at tremendous cost.

(3) The Republican Commissioners in an attempt to escape the results of their lack of foresight and false economy have now determined to sell large portions of the county land in Cumberland Township, in complete disregard of the unquestionable fact that such a sale directly and irrevocably seriously damages Adams County's most valuable and precious asset, the historic Battlefield.

(4) The Republican Commissioners have failed to take any action to co-operate with either Cumberland Township, the Borough of Gettysburg or the Department of Interior, to protect the Battlefield area. Their lack of foresight and complete disregard of this precious asset are a disgrace to Adams County, and have brought world-wide criticism of our community. The Congress of the United States has noted well this disregard and recently passed legislation allotting funds for Battlefield preservation, pointedly noting the Republican Commissioners' lack of national or community interest.

(5) The Republican Commissioners, in their political advertisement, attempt to take credit for the placing of the County Employees under the Social Security System, when the record indicates that they failed to take any action to protect these employees until forced to do so.

(6) "VOTERS PLEASE NOTE": The cost to operate the Commissioners Office under the last Democratic Board which was approximately 30 years ago was under \$4,000.00, with one Clerk, and a part-time Clerk. Today the cost is in excess of \$22,000.00 with six Clerks.

Soviets Boast Of Historic Picture Transmission; Foresee Planetary Surveys

By STANLEY JOHNSON

MOSCOW (AP) — The Soviet Union boasted today that Lunik III's history-making transmission of pictures of the hidden side of the moon heralds photographic surveys of the planets beyond.

Tass, the official Soviet news agency, said the successful operation of the space vehicle and its picture-taking apparatus "opens up broad prospects for studying the planets beyond."

A Soviet scientist, Vasily Lobastov, said Lunik's transmission of its moon shot "has inaugurated the most perfect method of studying planets — through rocket photography."

"First Look"

The world got its first look today at the far side of the moon. Photographs released Monday night indicate the area is covered mostly with mountains. Tass said, with only a few of the craters that pockmark the side of the earth seen. First reports indicated the hidden side of the earth's natural satellite was largely unmarked plains, "considerably more monotonous than the side turned toward the earth," as one announcement said.

Scientists in America and throughout the world hailed the Soviet photographs as a remarkable scientific achievement. Many said the pictures fitted in with their preconceived notions of the landscape of the moon's farside.

Features Tagged

The Soviets lost no time naming visible features. They called a 180-mile wide depression north of the lunar equator "The Sea of Moscow." A bay in the southern part of the depression was named "The Bay of Astronauts."

A team of Soviet scientists also tagged six other landmarks. Scientists from many countries participated in naming the so-called seas, mountains and craters located on the moon's side facing the earth.

Moscow newspaper today carried detailed information on the design and operation of Lunik III, which was launched Oct. 4, took its pictures during a 40-minute period Oct. 7, then returned from its moon journey Oct. 18 to

begin an orbit around the earth.

Distance Cited

Tass said the 614-pound traveler was between 37,284 and 43,498 miles from the moon when its photographic equipment was switched on.

"The taking of the photos," Tass continued, "was timed so that the station on its orbit should be between the moon and the sun, which lit about 70 per cent of the unseen side of the moon."

The news agency said all equipment aboard Lunik was "controlled from posts on the earth through a radio line and automatic program devices on board."

Control Possible

"This combined system," it said, "makes it possible to control scientific experiments in a most convenient way and to obtain information from any section of the orbit within the limits of radio visibility from the observation posts on earth."

To carry out its photographic assignment, the flying laboratory was equipped "with a system of orientation and photo television apparatus with special equipment for automatically processing the film."

The Soviet reports did not indicate when the pictures were transmitted to earth. They did say the operation was carried out over distances up to 290,000 miles.

RITES ON WEDNESDAY

PHILADELPHIA (AP) — Funeral services for Maurice Spector, 78, active Jewish leader and chairman of the board of the Blum Store, will be held today. He died Monday.

YOUTH IS KILLED

DANVILLE, Pa. (AP) — An auto killed 14-year-old Roy B. Henrie Jr. of Danville R. 5. When he ran across the old Danville-Bloomington Road Monday while having some pre-Halloween fun with a group of teen-agers, police report.

Wilwyn, winner of the first Laurel International race for England in 1952, has been purchased for stallion duty in Johannesburg, South Africa.

STEEL PRICE INCREASE IS NOT CERTAIN

By G. MILTON KELLY

WASHINGTON (AP) — The strike-ending pact signed by the Kaiser Steel Corp. and the United Steelworkers Union left uncertain today whether steel price increases by the company may follow later.

Dramatically breaking the steel industry's united front, Kaiser made its own lone wolf peace with the union Monday, the 104th day of the walkout. The signing could prove to be the big break in the costly industry-wide strike.

Kaiser hopes to be producing steel again at its Fontana, Calif., plant in about five days. Some 500 of its workers were called back to their jobs Monday night and nearly 1,200 others were due back today.

9th Largest In U.S.

The Kaiser firm—ninth largest in the industry—and the union called the settlement noninflationary. They said the agreement was "designed to work for the best interests of management, the employees and the public."

Neither the company nor the union gave an overall dollar estimate on what the settlement would cost Kaiser. But some sources said privately it probably would amount to 3½ million dollars over the life of the new contract which will be in effect for 20 months—until June 30, 1961.

The pact provides new fringe benefits amounting to 10 cents an hour per worker starting Nov. 1. These include more liberal insurance, pension and supplemental unemployment benefits. Work rule changes will be settled later.

In the second year there will be a 7 cents an hour pay raise wrapped into benefits guessed at 12½ cents an hour for the company's 7,500 to 8,500 workers.

Steel companies in the past have used increased labor costs as an argument for boosting steel prices.

Edgar F. Kaiser, board chairman of Kaiser Steel, was asked by newsmen about possible price increases after he signed the new agreement with David J. McDonald, the union's president.

"I wouldn't say anything would be done in the near future," he said. Asked to elaborate, he added the agreement "could be made to work without a price boost if everybody does his part."

FILE \$50,000 RACIAL SUITS

LITTLE ROCK, Ark. (AP) — Three teen-agers arrested in a segregationist disturbance near Central High School Aug. 12 have sued Police Chief Eugene G. Smith. Each is asking \$50,000 for alleged violation of civil rights.

The suits were filed in federal court Monday by the parents of Calvin Parish, 18; Charles James Bailey, 16, and Leon Kyzer, 16. Amis Guthridge, segregationist attorney, represents all three. He previously filed two \$50,000 suits against Smith, for two women who also claimed their rights were violated by police at the demonstration. Smith has denied the charges and asked that they be dismissed. Several hundred persons, waving U.S. and Confederate flags, marched on Central the day it opened with token integration. Police stopped them a block from the school. Several marchers who fought with police were clubbed and 21 were arrested.

PITTSBURGH (AP) — Gulf Oil Corp. reports third quarter earnings of \$74,661,000 or \$2.24 per share of common stock. This compares with earnings of \$88,656,000 or \$2.66 a common share for a similar period last year. A net income of \$216,475,000, or \$6.49 a share was reported by the company Tuesday for the first nine months of 1959. In the same period last year, net earnings were \$204,393,000 or \$6.13 a share.

Harold W. Wright, son of Mr. and Mrs. Thurman W. Wright, Aspers, who has been assigned to the position of station agent for American Airlines at O'Hare International Airport in Chicago.

MOLDMAKERS MAY GO BACK TO WORK SOON

PITTSBURGH (AP) — The 46-day - old strike of some 2,000 moldmakers at 81 glass plants across the country may come to an end before Saturday, says Federal Mediator William Rose.

"I hope that we might continue the progress that has been made these last few days," Rose said Tuesday night after conducting separate and joint meetings with the union and the industry.

"We might get a settlement before the week is through."

Walked Out September 13

Rose said that Robert W. Donahoe, regional director of the Federal Mediation & Conciliation Service, would join him today in the joint negotiating sessions.

The moldmakers walked out September 13 in a dispute over wages and arbitration procedure.

The American Flint Glass Workers union is seeking a five per cent wage hike. The Glass Container Manufacturers Institute has offered a three per cent pay boost. Moldmakers averaged \$2.80 under the old pact.

The union also wants to continue the practice of holding grievances for discussion at new contract negotiations. Industry wants grievances settled by binding arbitration.

DEDICATE EXPRESSWAY LINK TODAY

MARYLAND LINE, Md. (AP) — Gov. J. Millard Tawes said today the Baltimore-Harrisburg Expressway points up the need for more long-range highway planning between states.

Cutting vertically through the Mason-Dixon line, it "joins, rather than separates, Maryland and Pennsylvania," he said.

Tawes, in a speech prepared for the dedication of the Maryland section of the expressway, said the new highway is "an example of what cooperative planning between states can do in the highway field."

To Cut Ribbons

"I, for one, would like to see more of it," Tawes added. Shortly before the dedication Tawes clipped a ribbon opening the Maryland stretch at Mt. Carmel Rd. near Hagerford in Baltimore County.

Gov. David Lawrence of Pennsylvania was scheduled to speak at the dedication of the Pennsylvania section.

The two governors, their aides and representatives of the Baltimore Assn. of Commerce and the Harrisburg and York Chambers of Commerce were scheduled to attend a luncheon in York.

A trade tour was planned this afternoon, winding up in Harrisburg for a banquet tonight.

MUST PAY BACK WAGES TO 14

LEWISBURG, Pa. (AP) — The operators of two Pittston firms are under court order to pay 13 employees approximately \$4,000 in back salary.

John Cremard and Carl Manganuello, partners in the Pittston Trucking Co. and the C. & M. Excavating Co., pleaded guilty Monday in U. S. District Court to four counts of violating the Minimum Wage Law.

In addition, Judge Frederick V. Follmer fined each \$225 and placed them on a year's probation. Abraham A. Willis and Nathan Karesky, both of Wilkes-Barre,

Election Day, Nov. 3, until one hour after the polls close.

Only licensed clubs are exempted from the law requiring other licensed establishments to remain closed, the board said Tuesday. The state's 646 state stores also will be closed all day.

Two Injured When Blast Rips Home

READING, Pa. (AP) — Two members of a family of six were injured Monday night when an explosion ripped through their three-story frame house.

George Wolfe, the father, and his daughter, Doris, 21, were hospitalized. He suffered cuts. She suffered a back injury.

The mother and three sons were treated for shock and released. Firemen said the explosion, that ripped up the floors of the kitchen and living room, was believed caused by an accumulation of gas beneath the cellarless dwelling.

HEAVY ELECTION TOLL

MANILA (AP) — The death toll in the Philippine national election campaign has risen to more than 50, with five killed and nine wounded Monday.

The nation's largest newspaper, the Manila Times, called for an end to "this wave of slaughter." It termed the bloodshed unprecedented even in the Philippines, where violence has marked every election since the nation gained independence from the United States in 1946.

Sons of Alibhai have won three straight Widener Handicaps at Hialeah Park. It was Bardstown in 1957 and again in 1959. In 1958 Oligarchy won.

pleaded innocent to charges of transporting electronics parts allegedly obtained by fraud, from Wilkes-Barre to Dorchester and Belmont, Mass. A trial date will be set later.

Admit Forgery Charge

Harry Schraff and Robert Eyer, both of Harrisburg, pleaded guilty to charges of check forgery involving \$295. Each was released on \$1,000 bail for sentencing later. Judge Follmer sentenced Stanley Chero, 47, of Broughton, and Arthur H. Krapes, 37, of Kansas City, Mo., to five years in prison on charges of operating a stolen motor vehicles racket.

Chero, after serving his term, will face charges by New York State of breaking parole.

Upper Adams Schools To Close Friday While Their Teachers Visit, Observe

The nearly 1,500 pupils in the public schools of the Upper Adams Merged School District will have a holiday on Friday while their teachers will spend the day visiting and observing in York, Cumberland and Franklin County schools and in Hagerstown, Md.

Superintendent of Schools Donald B. Hudson, in announcing plans for Teacher Visitation Day, said: "This is a part of the in-service training program conducted by the Upper Adams School District."

Some of the teachers have been assigned to Hagerstown schools where the classroom television program will be of special interest.

In many instances teachers will visit one school in the morning and another, in the same district or in a nearby district, in the afternoon.

The list of schools to be visited by Upper Adams teachers on the special project Friday includes: York Suburban, West York, Spring Garden, William Penn Senior High School, Hannah Penn School and the Arthur Ferguson Elementary School, all in York city and York County; Cumberland Valley, Mechanicsburg R. 3, Camp Hill and Shippensburg schools in Cumberland County, and James Buchanan School, Mercersburg R. D., in addition to the Hagerstown schools.

Friday will be the second day of vacation for the Upper Adams pupils this month because of special training plans for their teachers. On Friday, October 9, the

teachers went to Camp Hill to take part in a two-county teachers' institute session.

LINER CRASHES BUT 17 ESCAPE

SANTA MARIA, Calif. (AP) — An airliner with one engine aflame crashed moments after taking off from Santa Maria Airport Monday night. The co-pilot was killed but 17 passengers escaped serious injury.

The twin-engine plane skirted oil derricks as it lost altitude over oil fields and farm lands. It crashed through a high tension line and broke in two on a road near a farm house.

The wreck, miraculously, didn't burn. The worst injury among the passengers was a fractured collarbone.

Co-pilot Joseph Flanagan, 31, of Mountain View, Calif., was thrown 50 feet from the wreck, still strapped in his seat.

Pilot Charles W. Craig, 42, of San Mateo, Calif., suffered serious head injuries. Purser Donald Robesky, 31, San Mateo, was hurt slightly.

The Pacific Air Lines plane was on a flight from Los Angeles to San Francisco via several smaller California cities.

Gordy Coleman, 24, most valuable player in the Southern Assn., belongs to the Cleveland Indians. He was with Mobile last season.

PENNA. TAX ON BANK SHARES IS DOUBLED; MAY GET TEST

HARRISBURG (AP) — The state's four mill tax on bank shares has been temporarily doubled, but it may be headed for a court test.

Gov. Lawrence Monday signed into law legislation increasing the tax to 8 mills to raise 12 million dollars additional revenue for the 1959-61 biennium.

Later, a spokesman for the Pennsylvania Bankers' Assn. said national banks in the state plan

to challenge the tax increase in the courts. He said they contend that under federal law their capitalization cannot be taxed at the rates higher than "competing capital such as stocks and bonds."

House - approved legislation to increase the state tax on personal property — including stocks and bonds — is languishing in the Senate Finance Committee. Sen. Edward J. Kessler (R - Lancaster), committee chairman, says it will never reach the floor for a vote. The proposed increase in the levy from 4 to 8 mills would provide an estimated 55 million dollars additional revenue.

The 4-mill increase in the bank shares levy is scheduled to run from Jan. 1, 1959, to Dec. 31, 1960. Lawrence still has before him legislation extending the 14 mill tax on gross receipts to gas firms. It is designed to raise an estimated \$5,800,000 in the biennium. Republicans claim this will be

SAYS GUINEA PIG DAYS IN SCHOOLS OVER

The era of crackpot educational theories, which produced thousands of illiterate school children, is about over, says W. McLean Johnson, St. Louis textbook publisher.

"We're going to have a generation of better spellers and readers when the current crop of students grows up," says Johnson. "For more than a generation American school children were used as guinea pigs to test out all kinds of experimental theories, and the result was a national uproar over 'why can't Johnny read?'"

"Now the vast majority of teachers are going back to the phonics system of teaching reading and spelling, and things are looking up. It has been found that nothing can take the place of the basic three Rs—and the emphasis today is on presenting the old, tried-and-true methods in new ways, so that children can grasp them more quickly and clearly."

New Spelling Book
Johnson, president of the Webster Publishing Co., launched a completely new kind of spelling book four years ago, designed to teach children the sound of words and letters, instead of asking them to memorize word lists.

The goal of a teacher, says Johnson, should be to teach children the basic structure of words, so that they will be able to pronounce and spell even words they have never seen before, by applying

the last tax bill to become law this year.

The governor also signed a law authorizing the state to purchase land for the disposal of radioactive material.

The grounds purchased for radioactive disposal would be under the jurisdiction of the secretary of health. No appropriation was made for the purchase of disposal grounds.

However, the governor's office said any needed grounds could be purchased from the Health Department's general appropriation.

Other laws signed by the governor would:

Allow political subdivision owning human burial grounds to act as trustees for maintenance funds for the grounds.

Boost the salaries of county officials in Allegheny County.

Abbottstown

Mrs. Della Butt
ABBOTTSTOWN—Mr. and Mrs. Paul Breighner recently hosted a birthday party in honor of their daughter, Joanne's 10th birthday anniversary. Among those present were: Beverly Wildasin, Cynthia Harris, Barbara Emig, Barbara Alleman, Virginia and Karen Matthews, Gloria Strausbaugh, Sharon Harmon, Carol Lippy, Barbara and Earl King, Susan Stock, Tobie and Sunnie Sanders, Gloria, Joanne, Judy and Gary Breighner, Kerry and Shelly Lease, Michael Haugh, Michael, Wildasin, Gary Kensen, Robert and Barry Ruffert, Randy Becker, Robert and Carolyn Emig, Mrs. Niles Lease, Mrs. Edward Becker, Mrs. Richard Sanders and Mrs. Margie Hoke.

3 GALLERIES SHARE ESTATE

NEW YORK (AP)—An art collection reportedly worth millions has been left to New York, Washington and San Diego galleries by Mrs. William R. Timken, widow of a roller bearing magnate.

Mrs. Timken, 78, was found dead in her lavishly but unkempt 24-room apartment on Fifth Ave. Saturday. A search of the apartment turned up a will.

Mrs. Timken's attorney, Joseph M. Hartfield, disclosed that her huge art collection was left to the Metropolitan Museum of Art in New York, the National Art Gallery in Washington, and a gallery in San Diego. Nearly all, however, goes to the Metropolitan.

A jewelry collection was willed to various charities. The remainder of the estate was bequeathed to Mrs. Timken's two sons by a previous marriage, Todd Ford, who died after the will was drawn in 1950, and Robert Freeman Ford of Pasadena, Calif.

Mrs. Timken was left more than four million dollars in cash and securities when her husband died in 1949.

WIND, RAIN LASH BRITAIN

LONDON (AP)—Gales with hurricane force gusts tore across Britain Tuesday, whipping up high seas and leaving half a dozen ships in distress.

Inland, the gales blew in store windows on the south coast and tore down trees and wires. Many highways were blocked by fallen trees in London, Wales, and the west country. Several rail lines also were blocked. Electricity was cut in many districts. Airline service in and out of London was on schedule.

With the winds came heavy rain causing minor landslides, washouts and floods up to 18 inches deep.

In Paris, 80-mile winds whipped around the Eiffel Tower. Northern France residents bunched up in mufflers and dodged falling tree

limbs and broken wires. The damage appeared minor and scattered over a wide area, but worst along the Atlantic coast.

their knowledge of phonetics. The idea is as old as the English language, but the teaching method is new.

The new methods of teaching not only reading and spelling but also arithmetic are being widely used in schools throughout the country, says Johnson, with more converts every day. He points out that at the beginning of World War II 433,000 men were rejected because of illiteracy, and that thousands of children of normal or better intelligence were held back in school because of inability to read.

Effects Of Gracie In S.C. Long-lasting

COLUMBIA, S. C. (AP)—South Carolina may be feeling the effects of Hurricane Gracie for years to come.

The State Forestry Commission said Monday the storm that hit the state Sept. 29 felled an estimated 500,000 trees, representing a potential loss of 10 million dollars to timber and pulpwood interests. Thousands of pecan trees also were blown over.

The commission said hordes of insects that have moved into the damaged trees pose a greater threat than the storm damage itself if they are allowed to attack healthy trees next spring.

Texas Town Has A "Sweet Street"

EAGLE PASS, Tex. (AP) — A tank truck popped wide open, spilled 275,000 gallons of molasses and gummed up three blocks of a dirt street here Monday.

"It was the fastest, sweetest paying job Eagle Pass ever had," quipped one city official.

The Southwestern Sugar and Molasses Co., estimated its loss at \$100,000.

City employees couldn't wash away the sticky molasses. They used a dump truck to haul in rocky soil and cover over the syrup.

MAN FREED OF MURDER COUNT

NEWBURGH, N. Y. (AP) — An Orange County court jury Tuesday acquitted Malcolm R. White, 49, an industrialist, accused of first-degree murder in shooting a union organizer.

The jury of seven men and five women had received the case Monday. Unable to reach a verdict after nine hours of deliberation, the jury was locked up overnight.

During the 26-day trial, White claimed self-defense in the shooting of Alfred F. Dugan, 52, an ex-convict, last Nov. 13.

Dugan was the leader of a jurisdictional strike by a small union against White's Chester Cable Corp., at Chester, N. Y.

White testified he thought Dugan had a gun and was about to shoot him when he himself opened fire on a road near the manufacturing plant. Dugan later was found to be unarmed. White testified he had been in great fear of Dugan, largely because of his criminal record.

Dugan, who lived in Mountaintop, N. J., was sentenced to 12 to 15 years in prison for the \$108,000 robbery of an Asbury Park, N. J., bank in 1940.

limbs and broken wires. The damage appeared minor and scattered over a wide area, but worst along the Atlantic coast.

ENGLAND WILL LIBERALIZE ITS GAMBLING ACT

LONDON (AP)—Prime Minister Harold Macmillan's government told Parliament Tuesday of plans to liberalize Britain's gambling laws. Presumably it would be done through the establishment of betting shops operating as openly as groceries.

This was among legislative proposals in the speech of Queen Elizabeth II at the formal opening of the Parliament elected Oct. 8.

The speech was prepared for the Queen by the Cabinet. Because she is expecting a baby in February, she did not attend the opening in the red and gilt House of Lords. Viscount Kilmuir, the lord chancellor, read the speech for her.

Government sources privately predicted that betting shops for

cash wagering will be legalized. As many as 1,000 may be established in London.

Such legislation probably would stir up strong opposition from church groups. Heated debates in Parliament are expected.

The government's aim is to kill the business of the small street corner gamblers, and nonlicensed horse parlor operators who take illegal cash bets.

Macmillan's government made other pledges in the domestic field:

1. Legislation will be introduced to encourage the migration of industries to places experiencing chronic unemployment. As of last month there were 405,000 out of work, mostly in industrial areas of Scotland, Lancashire and Wales.

2. Work will be speeded to relieve congestion on Britain's clogged roads, modernize the railroads, and boost the aircraft manufacturing industry.

3. "New house building will be maintained at a high level and the slum clearance campaign will continue." The aim is to rehouse another million slum dwellers.

In foreign affairs the govern-

Brief Freedom For Eleven Escapees

HAZLETON, Pa. (AP) — All 11 boys who escaped Saturday from the Luzerne County industrial school for boys at nearby Kis-Lyn are back in custody today.

The boys, between 13 and 17, stole a station wagon and drove to Chambersburg, police said. Three were arrested in Chambersburg on Monday.

The other eight, authorities reported, stole another vehicle and drove to Warm Springs, Va., where they were arrested Monday afternoon.

ment "will continue to work for the improvement of relations between East and West and will use all its efforts to this end."

ACS TELLS OF INCREASE IN CANCER CURES

By ALTON BLAKESLEE
Associated Press Science Writer
NEW YORK (AP)—Public knowledge about cancer is helping save lives from the disease, a cancer statistician said today.

Cure rates have gone up in recent years, but more lives could be saved if people with high risks of cancer had regular checkups, said Dr. E. Cuyler Hammond, director of statistical research for the American Cancer Society.

Cancer risks vary greatly with age, sex, occupation and even geography, he told the society's annual meeting.

Watch For Signs

Some high-risk groups already are known and research can pinpoint others, he said. Such persons then could pay special attention to checkups and suspicious signs for earlier detection of cancer, which generally means best chance of cure, Dr. Hammond said.

Citing examples, he said men over 65 are more prone to cancer of the prostate. Some studies indicate that women who did not breast-feed their babies may be more prone to breast cancer than other women who did. And cancer of the skin and cancer of the cervix appear to be higher in Southern states than elsewhere.

Six-Year Study

The society is launching a six-year study of 500,000 American families which, among other goals, seeks to learn what things in daily life may influence chances of developing cancer, and what physical complaints might give earliest warning.

Danger signals currently listed include persistent cough, any un-

Opens Gas Pipe To End Her Life

RUTHERFORD, N. J. (AP) — A gas-filled home exploded Monday, killing a woman and injuring her husband and three policemen. Police said the woman was trying to commit suicide.

A fire that followed the blast destroyed the house. The body of Anna De Vries, 41, was found in the wreckage.

Police said Mrs. De Vries, dependent and complaining of headaches to her husband recently, apparently tried to take her life by opening a gas pipe in the basement.

Her husband, Marinus, 39, called police when he came home from work to find his wife sprawled on the floor and the place filled with gas fumes.

Three policemen rushed to the house. The explosion occurred as one of them was in the basement turning off the gas.

KILLS MOTHER OF POLICEMAN

SAN FRANCISCO (AP)—A bullet from a robber's gun killed a police sergeant's mother Monday night.

Emily Davis, 53, mother of Sgt. Robert J. Davis, was shot in the back of the head at the small grocery store which she operated with her husband, Ben.

The gunman was described as being of either Negro or Mexican descent, and his companion as a Negro.

The elder Davis said the two men walked in, one displaying a black pistol, and said it was a stickup.

"We gave them the day's residual lump or sore, changes in bowel habits, unexplained bleeding and chronic indigestion."

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — The idea of an early summit meeting is slowly being scalped.

President Eisenhower, Soviet Premier Nikita Khrushchev, and the British are all for an early meeting. France and West Germany want it shoved aside for months.

Time may show France's President Charles de Gaulle and Germany's Chancellor Konrad Adenauer were wise in wanting a delay. But it carries the seeds of danger.

Khrushchev may get fed up, regard it as stalling, feel his big try at let's-get-togetherness is being quietly repudiated, and turn nasty again. He is in a position to get nasty.

May Apply Pressure

In his talks here with Eisenhower he agreed there should be no time limit on settling his demands that the Allies get their troops out of West Berlin. But he wanted it understood negotiations should not be prolonged indefinitely.

What will be think now when Adenauer not only wants a delay in a summit meeting but suggests that when the United States, Britain, France and the U.S.S.R. get together Berlin should not even be discussed?

If he begins to feel the West is stalling, Khrushchev might decide to crack down on Berlin even if it caused a shooting showdown. The more division he sees among the Allies, the more he may believe he can get by without a showdown.

He Won't Dictate

What can Eisenhower do about it, since the goodwill created by Khrushchev's visit may slowly melt away under delays and disagreements among the Allies?

He seems to think he can't do much. He has made it plain he won't try to dictate to the Allies, no matter what his own wishes about an early summit meeting.

He probably couldn't push De Gaulle into his way of thinking if he tried. The strong-willed, temperamental Frenchman is determined to recapture international respect for his country.

Further De Gaulle has the support of the French people. By the same token, West Germans stand behind Adenauer. Getting France and West Germany to follow meekly in the American train was easier when Germany was weak-

ceipts from the cash register — I don't know how much," Davis related.

The armed man ordered the two into the back room, and shot Mrs. Davis as they moved obediently toward the rear of the store. No customer was in the store.

65-year-old Man Stomped To Death

NEW YORK (AP)—Peter Manceri, 15, was acquitted Monday night of a charge of stomping to death a 65-year-old man in a Brooklyn park.

Three girls testified that the chief prosecution witness, Dorothy Stauf, 13, told them she had lied when she said the boy killed Edward Butler in Highland Park. Dorothy returned to the stand and insisted she had told the truth.

The prosecution charged Manceri beat and kicked Butler to death last July 30 after Butler scolded Manceri and the Stauf girl for necking in the park.

CO-ED IS 12TH CRASH VICTIM

NEW BRUNSWICK, N. J. (AP) — The crash of a truck and a bus in North Brunswick Oct. 9 has claimed its 12th victim.

Miss Dorothy Weismantel, 19, of Newark, died in St. Peter's Hospital Monday. She had lain in critical condition at the hospital since the accident, her body covered with burns.

Another girl, Josephine Brancolino, 18, of Trenton, is in critical condition at Mercer Hospital, there, with burns she suffered in the wreck.

Ten of their fellow students at Trenton State College and a professor died as a result of the wreck. They were returning from a theater party in New York City

er and France was weakly led. Two factors in Adenauer's thinking must be considered:

France, Germany Liked

1. He and De Gaulle, whose countries have become good neighbors after two bloody wars, have been pulling pretty much together as a team. So, in advocating delay on a summit meeting, he's backing De Gaulle against Eisenhower.

2. As a German he may feel the United States has been too ready to make concessions to the Soviet Union on Berlin and unless rudely stopped may be willing to make others on the two Germans.

If Khrushchev had planned it this way — to divide the Allies by his demands on Berlin and his other tactics — he has succeeded a little. At this moment there is a bit of a split.

QUIZ SPONSORS OF FIXED SHOWS SAYS CORTNEY

NEW YORK (AP)—Philip Cortney, president of Coty Inc., said Tuesday the businessmen who sponsored fixed television quiz shows should be called before the congressional committee probing the programs.

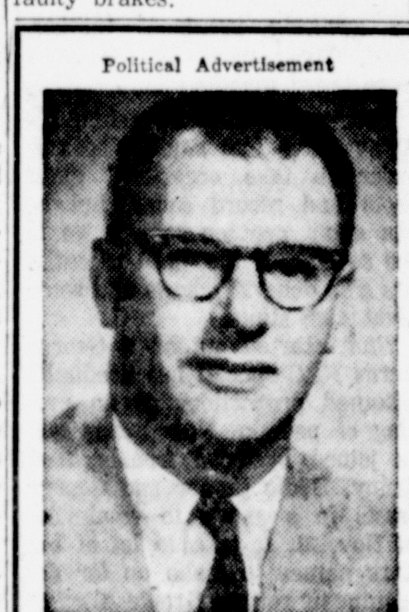

The perfume and cosmetics firm executive also called for a firm separation of advertising and entertainment on television. He said businessmen advertising on TV should have no control over entertainment.

Cortney, in a speech prepared for delivery before the Sales Executives Club and in advertisements in newspapers, urged businessmen to cooperate in a "hands-off-entertainment code."

"Let the businessmen be concerned only with honestly selling their products and services," he said in an ad. "Let the networks and stations be responsible for the entertainment and editorial content."

In his prepared speech, Cortney said of the fixed quiz shows: "I am tired of the little jokes I hear about this shameful fraud. I say

when a truck struck the rear of the bus, exploding its fuel tank. The truck driver, Roscoe Poe, 54, of Brooklyn, N. Y., has been charged with causing death by auto. Police said his truck had faulty brakes.

BOGUS TRACK TICKETS PASSED

CAMDEN, N. J. (AP) — Two unidentified persons are under surveillance Tuesday in the passing of \$3,000 worth of counterfeit mutual tickets at Garden State Park Race Track.

John L. Madala, Garden State security director, said Monday that the Thoroughbred Racing Protective Bureau believes it has a line on the parties to be involved.

Madala refused to identify the persons involved, saying they didn't know that they were under investigation.

The \$10 tickets were passed Saturday after the second race. They were on Star O Lee, a \$29,000 winner in the first race, and Admiral Hogan, winner of the second.

Madala said the phony tickets were detected shortly after the running of the fifth race. He called them "very good counterfeits."

this is a national scandal. Those who perpetrated it upon the American people must be exposed and punished. And we must do what we can to prevent anything like it from ever happening again."

POST OFFICE TESTING NEW MAIL SERVICE

WASHINGTON (AP) — Post office engineers are testing a facsimile mail service designed for almost instant transmission of letter texts from coast to coast.

Postmaster General Arthur E. Summerfield said so today in a cautiously worded statement replying to inquiries. Reports had been circulating among delegates to a national postmasters convention here that such a device existed.

Summerfield said the department is experimenting with many things to provide a more rapid postal service.

"Facsimile mail service is one of the programs under consideration. It is still in the research, development and experimental stage," he said.

"When the tests on facsimile mail transmittal are concluded, the results and recommendations of this department will be made public."

Summerfield and his top assistants declined to answer any questions about the device, reported to be based on electronic scanning of an open letter flashing the text to any destination at lightning speed.

Delegates to the postmasters convention heard that the Post Office Department believes this kind of open letter service could eventually be provided at less than the seven-cent airmail rate.

W.U. Has Device

The report on the post office project followed by one day an announcement by Western Union Telegraph Co. that it will make an intercity facsimile service available to the general public in five cities effective Dec. 1.

This service also involves an "electric eye" scanning device providing facsimile transmission between Washington, New York City, Chicago, Los Angeles, and San Francisco.

CRITIC LIKES NEW "BELLS OF ST. MARY'S"

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—When David Susskind bought up the television rights to a bunch of old, successful movies, a number of people—including this viewer—wondered why he planned to remake them, why he didn't just rerun the originals.

His taped production of "The

Bells of St. Mary's" based on a 1945 film hit, answered that question Tuesday night. In moving the story from one medium to another it becomes more intimate, uses more closeups and is altogether more satisfactory on the small screen than would have been film made for the big screen in the theater.

Bing Crosby and Ingrid Bergman were the stars of the original. Robert Preston and Claudette Colbert played the parish priest and the sister superior of the parochial school in the CBS version. They proved every bit as charming, a difficult accomplishment indeed.

A Nice Show
The story revolves around the

way Father O'Malley and Sister Benedict manage to get a needed new building to house their beloved school. Charles Ruggles is delightful as the old crank who learns about the joy of giving.

It was a nice show, full of deft comedy touches and pleasant sentiment.

Edward R. Murrow's "Biography of a Missile," which followed, traced the construction of a ballistic missile from the drawing board until it misfired upon launching. It was both dramatic and informative.

The hour-long CBS show told us a lot about missiles, but the most fascinating part was the faces of the makers of Project 16 when after a year of work the huge

ANDERSON'S WINTERSET SLOW ON TV

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—Maxwell Anderson's "Winter," a morality play in blank verse and modern dress, was given an elaborate and painstaking presentation on NBC Monday night.

Anderson put a lot of messages in this violent drama—about guilt and innocence, life and death, love and hate. He surrounded them, however, by what is now a pretty routine TV plot—a boy seeking to clear his dead father's name; the guilty gangster and a frightened weakling.

Unlike the ordinary TV plot, in the end it is the hero and his sweetheart who lie dead, and the guilty who continue unpunished.

Play Moved Slowly
Don Murray was Mio, the boy. Piper Laurie played Miriamne, the girl in the case. Charles Bickford was the tortured judge,

metal mechanism was destroyed in five seconds.

Salute To Vaudeville

When Steve Lawrence and his wife, Eydie Gorme, turn up on the living room screens Thanksgiving Eve in an ABC musical special called "The Golden Circle," Steve will be busy with his U.S. Army chores and Eydie will be awaiting imminent motherhood. Their parts in the show were taped months ago.

Lawrence has been breaking his Army leave into small pieces in order to take occasional guest shots and record songs, but he has about another year to go in the service. Eydie, until recently, has also done TV shows and some night club stints.

What started out as a George Burns NBC special has gradually assumed proportions as an evening of palship. Now Burns will be joined by good friends Jack Benny, Eddie Cantor and George Jessel in a salute to vaudeville on Nov. 21. It takes a lot of big stars names to make up for determinedly retired Gracie Allen.

York Springs

MRS. ESTA COULSON
Times Reporter — Phone 34-R-2
YORK SPRINGS—Mr. and Mrs. Clyde S. Group, Gardner R. 1, announce the engagement of their daughter, Mary E. Group, to James H. Cashman, son of Mr. and Mrs. Horner Cashman, York Springs R. 1.

Evangelistic services are being conducted at the York Springs Church of God with the pastor, Rev. Donald Roemer, conducting. He is being assisted by Rev. and Mrs. Howard Rush, evangelist and song leader. Services are at 7:45 p.m. They will continue through October.

Maurice Bowers, Millington, N. J., recently spent several days with his parents, Mr. and Mrs. Parvin Bowers, York Springs. He is superintendent of schools in Millington.

Parvin Bowers who has been ill, is improved.

The John March property was sold to Webster Shank. His son-in-law and daughter, Mr. and Mrs. Walter Cline, will reside there.

The Crusader's class of the

and George C. Scott, a very sinister gangster. All were extremely competent.

The settings were spectacular, particularly those scenes under the Brooklyn Bridge.

In spite of all this excellence, the play moved slowly and the language often seemed, instead of soaring, merely high flown.

New Western Catching On

"Laramie," a new NBC Western, apparently is catching on. More sponsors are climbing aboard, a sure sign, Dick Clark's "American Bandstand" (ABC) is running a contest called "Why I would like to have dinner with Fabian." Winner's reward: A two day visit to Philadelphia, attending the opening of Fabian's new movie, and dinner with the singer and Clark.

Sam Levenson is now working as a panel member on "Masquerade Party," in case you missed the show's premiere Monday night in the old "Name That Tune" spot. Tom Tully—Inspector Matt Greb—will be back for a guest appearance on "The Lineup" (CBS) on Nov. 4.

MILK CO-OP FILING FOR RATE HIKES

PHILADELPHIA (AP)—A U.S. Department of Agriculture dairy examiner had under consideration today a request to increase by 40 cents a hundredweight the price paid to farmers for bottling milk.

Inter-state milk producers' cooperative, which represents some 5,000 dairy farmers in Pennsylvania, New Jersey, Delaware and Maryland, filed the request for the boost in the federal order Class I price paid in the Philadelphia and Wilmington, Del., areas.

The present class I price is \$5.89 per hundredweight (12.7 cents per quart) in the Philadelphia area, and \$5.74 per hundredweight (12.3 cents per quart) for Wilmington.

Two Day Hearing

Will Rodgers, agriculture department examiner, conducted the two-day hearing last week with the assistance of Job A. Mahood and Simon Uhl of the Pennsylvania Milk Control Commission.

Dr. C. W. Pierce of Pennsylvania State University said he had conducted a three-month study of the milk situation in the area and found that price boost was necessary. He noted that the present formula has been in effect since April, 1951, and that it has resulted in price changes 10 times during that period.

Thomas Waddell, executive vice president of the Philadelphia Milk Distributors' Assn., said the deal-

York Springs Methodist Church will serve a turkey supper Saturday night, November 21, at the fire hall for the benefit of the building fund.

William Coulson, son of Mr. and Mrs. Elmer Coulson and George Williams, brother of Mrs. Stanley Reinecker, students at Anderson College, Anderson, Ind., spent the weekend at their respective homes. Coulson is a member of the Old Park Place Church Choir.

Miss Doty Ann Lerew, daughter of Mr. and Mrs. Eugene Lerew, and Harold Griffie, son of Mr. and Mrs. B. J. Griffie, students at Penn State, spent the weekend at their respective homes.

ers support inter-state's request for revision of the formula.

Supports Request

Inter-state, in support of its request, said that raising the federal Class I price by 40 cents a hundredweight would bring it closer to the Class I price set by the Pennsylvania Milk Control Commission which is 53 cents above the federal price.

The Class I price formula is based on five component parts: sales, dairy feed prices, wholesale prices, midwest condensory prices and prices of farm products other than milk.

Dr. Pierce's study recommended that the price formula be revised so that the five factors be brought up to date by using the years 1957-58. It also suggested the definition of Class I milk used in the formula be revised largely to eliminate sales not actually made in the marketing area or in adjacent areas.

ADVERTISE IN THE TIMES

DEATHS

By THE ASSOCIATED PRESS

ANN ARBOR, Mich. (AP)—Victor H. Sutherland, 45, general sales manager for Oldsmobile division of General Motors Corp., died Monday after a brief illness. Sutherland, who joined Oldsmobile at Los Angeles in 1936, was born at Fullerton, Calif.

WASHINGTON (AP)—William T. Comer, 57, a civilian employed at the Army's Redstone Arsenal, Huntsville, was found dead in a Pentagon room Monday. A medical examiner listed the death as suicide. Before going to Huntsville he was chief of the management survey office of the Army comptroller at Washington. He was born at Atlanta.

PORTLAND, Ore. (AP)—Peter Alvin Binford, 83, president of Metropolitan Printing Co. and founder of Binford's Mort pool publishers, died Monday. He was born at Crawfordsville, Ind.

People, Pups—or Problems:

"Look-alikes" may not be alike!

That's why we give carefully individual attention to every money problem that our neighbors seek our help in solving. If we find basic likenesses to a problem we've met before, we can also, of course, give every benefit of that past experience—and that's how it happens, more often than not.

ROCKEFELLER, IKE CONFER ON DEFENSES

WASHINGTON (AP)—A scheduled talk with President Eisenhower about civil defense today may give Gov. Nelson A. Rockefeller a chance to reassess his political standing at the White House.

In the little more than two months since he talked personally with Eisenhower here Aug. 18, the New York governor has been edging toward a decision on whether he will battle Vice President Richard M. Nixon for the 1960 Republican presidential nomination.

Eisenhower has made it clear on several occasions that he has no intention of taking sides between Nixon and Rockefeller. But these statements were made before Rockefeller said on a television program last Sunday he favors resumption of nuclear tests, especially those that could be carried out underground without danger of fallout.

At a time when the Eisenhower administration is seeking an agreement at Geneva to end testing, this statement was interpreted in some quarters as indicating a desire on the part of the governor to make it clear he doesn't agree with all White House policies and isn't reluctant to say so.

The statement also put the New York governor at odds with Nixon, who has favored an agreement for the end of testing.

White House press secretary James C. Hagerty said in announcing the appointment that the subject of the conference would be civil defense, not politics.

Littlestown TOWN HEALTH PROBLEMS UP IN PANEL TALK

A panel discussion on the subject, "Health Facilities and Problems of the Community" was presented at the October meeting of the Women's Guild of Redeemer's United Church of Christ on Monday evening in the church social hall. Robert J. Keefer, Littlestown borough secretary, was the moderator, and Mrs. George I. BeMiller and Mrs. John E. Stambaugh were the panelists. There was a question and answer period on the borough water situation and fluoridation, garbage collection, offensive factory odors, etc.

The opening scripture was read by Mrs. Richard B. Hartlaub; there was group singing, accompanied by Mrs. Samuel H. Higinbotham; vocal solo, "This Is My Father's World," Susan Basehoar, accompanied on the piano by her sister, Sally. During the business, in charge of Mrs. Higinbotham, president, plans were made to give a day's service to the World Service Center at New Windsor, Md. Volunteers were asked to help process clothing for overseas shipment at the center next Thursday, November 5, leaving from the church at 6:45 a.m. Refreshments were served during the social hour. The guild will meet again on Monday, November 23.

Brownies Not Meeting
Brownie Troop 72 will not meet this week due to special Halloween activities. The next meeting will be held Thursday, November 5, at 3:30 p.m. in the engine house, when several new members will be inducted.

The Methodist Men's Club of Centenary Church will meet tomorrow at 7:30 p.m. at the church. The Sunshine Class of Grace Lutheran Church, Two Taverns, will meet at 7:30 p.m. on Thursday at the home of Miss Viola Sachs, Gettysburg.

A Halloween party will be held in connection with the meeting of Brownie Troop 61 on Saturday morning at 10 o'clock in the engine house. Halloween favors were completed at the meeting last Saturday.

At Scout Ceremony
Robert and James Hahn, sons of Mrs. Kathryn M. Hahn, W. Myrtle St., spent Sunday afternoon and evening at Camp Tuckahoe, near Dillsburg, where they attended the Brotherhood Ordeal Ceremony of the Order of the Arrow. Robert Hahn was one of the 22 candidates going through the ordeal, the second step in the Order of the Arrow, which is a national brotherhood of Scout honor campers. James has been a member.

A family supper party was held on Sunday evening at the home of Mr. and Mrs. Chester S. Byers, E. Myrtle St., in honor of the eleventh birthday of their daughter, Dianne. Present were the guest of honor's paternal grandparents, Mr. and Mrs. Jesse Byers, Mr. and Mrs. Kenneth Byers and son, Thomas and Arthur, near town; Mr. and Mrs. Luther H. Brown and son, James, and Mr. and Mrs. Francis Byers and children, Francine and Jesse, Pleasant Valley, and Mrs. Bertha Baby-lon.

Rotary Hears Speaker
A Halloween party was featured at the meeting of Girl Scout Troop 51 on Tuesday after school. Costume prizes went to Linda Bittle, the funniest; Gaynelle Ritter, ugliest; Karen Krichten, prettiest, and Linda Sentz, most original. The costume judges were Mrs. John D. Basehoar and Mrs. LeRoy W. Bish. Group games were played and refreshments were served to the 25 Girl Scouts.

Edward McLorie, Hanover, was the guest speaker at the dinner meeting of the Littlestown Rotary Club last evening at Schottie's.

**SINUS
Sufferers**
Here's good news for you! Exclusive new "hard core" SYNACLEAR Decongestant tablets act instantly and continuously to drain and clear all nasal sinus cavities. One "hard core" tablet gives up to 8 hours relief from pain and pressure of congestion. Allows you to breathe easily—no watery eyes and runny nose. You can buy SYNACLEAR at your favorite drug counter without need for a prescription. Satisfaction guaranteed by maker. Try it today!

SCHOMBURG TO HEAD MISSILE OPERATIONS

WASHINGTON (AP)—Maj. Gen. August Schomburg has been named to succeed Maj. Gen. John B. Medaris as head of the Army's Missile Command.

Medaris is retiring Jan. 31 as chief of the Army rocket team at Huntsville, Ala. With Dr. Werner von Braun heading its scientific group, this team was responsible for launching the United States' first earth satellite, its first solar satellite, and developing the 1,500-mile range Jupiter ballistic missile.

Schomburg, 51, was named to the post Tuesday. He is now deputy chief of ordnance for the Army. Previously he was assistant chief for research and development.

Denies Dissatisfaction
Medaris has denied his resignation was prompted by dissatisfaction over the way the Army has handled rocket development at Huntsville, particularly the huge Saturn program.

But Medaris' action forced an administration review of the problem. As a result Saturn, a space rocket that will develop 1 1/2 million pounds of thrust, has been taken from the Army and placed under the National Aeronautics and Space Administration.

NEW DRUGS LICK SCALP ILLS EASILY

MIAMI, Fla. (AP)—Many persons once spent thousands of dollars over long periods of years trying to get rid of such uncomfortable and embarrassing diseases as scalp ringworm and athlete's foot.

Today, says Dr. J. L. Pipkin, a dermatologist of San Antonio, Tex., such skin disorders can be cured in a few days at a cost of about \$20 for pills.

The medicine is griseofulvin, a new drug for fungus diseases. Pipkin and others among more than 200 physicians from the United States and 11 foreign countries described it today as the greatest medical discovery since penicillin.

The physicians were here to attend a symposium sponsored by the University of Miami. A year ago, Dr. Harvey Blank of the university first gave griseofulvin to a human patient and got a cure after all else had failed.

His announcement that he had cured 30 patients without a failure and without any unfavorable reaction caused a sensation.

Given in pill form, griseofulvin has shown such dramatic results that Johnson & Johnson's laboratories has gone into mass production to satisfy the demand. The drug is available only by prescription.

SACRAMENTO, Calif. (AP)—Although California's primaries are open, Gov. Edmund G. Brown indicated Tuesday outsiders wouldn't be welcome in the Democratic party's presidential primary.

Brown, a Democrat, offered no encouragement to Sen. John F. Kennedy if the young man from Massachusetts should enter the contest.

Kennedy has said he wouldn't enter California's primary lest a bitter contest split the party here.

OXFORD, Miss. (AP)—About 40 students were routed from their dormitory rooms by a flash fire at the University of Mississippi Tuesday night.

Fire chief David Neilson Jr. said the fire apparently started in debris piled beside the dormitory.

HOUSTON, Tex. (AP)—Walter Williams, 116, only living veteran of the Civil War, survived another pneumonia attack and his physician says he expects the old man to reach his 117th birthday next month.

Dr. Russell S. Wolfe said Williams suffered the attack last Tuesday and was under an oxygen tent for four days and fed by eyedropper.

Hotel Mr. McLorie told of the general set-up of a newspaper and other jobs involved in its printing. The program was arranged by the magazine committee. Woodrow H. Bowman, chairman. Visiting Rotarians were J. Pierre Wantz, Westminster, and Pete Preston, Paoli. Npel Goener, Miami, Fla., was a guest of Carl F. Hermann, and Wilbur J. Gobrecht, of the local high school faculty, was a guest of Frank E. Basehoar.

LOUISVILLE, Ky. (AP)—Leslie Allen Heine, 75, creator of the 1930s cartoon strip "You Be the Judge," died Tuesday. Heine started the syndicated strip dramatizing unusual court cases in the 1930s and retired three years ago. He was born at Louisville.
